MENTOR MENTEE LUNCHEON

On Thursday, February 27, Professor Carrillo and Mr. Cedillos facilitated a mentor and mentee luncheon-mixer. It was the first time that both mentees and mentors met. Before the luncheon, mentors and mentees were matched based on their interests, hobbies, and career choice.

The mixer began with introductions. What's your name, meaning of your name, and do you enjoy your name. Mentors and mentees all shared while learning something about each other. The luncheon continued with mentors sharing their experiences with their very own mentor who supported them in their college journey.

To conclude, mentors and mentees who were present were able to meet individually. This gave time to both mentor and mentee an opportunity to talk about ground rules, meeting locations, and confidentiality. The mixer was a success.

Due to the COVID-19 pandemic. We have asked our mentors and mentees to meet virtually by utilizing any online platform best suited. Mentors are already meeting with their mentees using Facetime, Zoom, Google Circles, Skype or other platforms. We are grateful to have mentors who remain supportive and responsive.
