NetTutor: Faculty & Staff Guide

What is NetTutor?
NetTutor is a 24-hour online tutoring platform the LACCD has subscribed to. Students can either meet online live with a tutor, drop off a paper which a tutor provides feedback for within 24 hours, or they can drop off a question and check for feedback later.

Which disciplines does NetTutor provide for tutoring?
- *Accounting*
- *Anatomy & physiology*
- *Biology*
- *Business*
- *Chemistry*
- *College & Student Success*
- *Economics*
- *French & Spanish*
- *Student Success*
- *Math & Statistics: all levels*
- *Writing & Paper Center: for writing across the curriculum*
- *Physics*
- *Political Science*
- *Psychology*

Math and the Writing/Paper Center specifically have live tutors available online 24 hours, and other subjects have slight limitations.
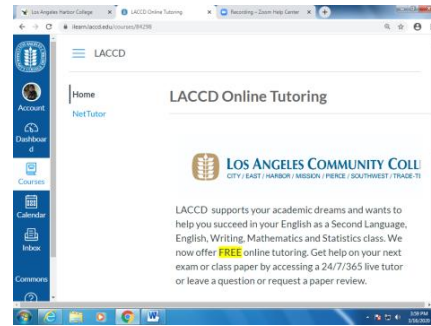

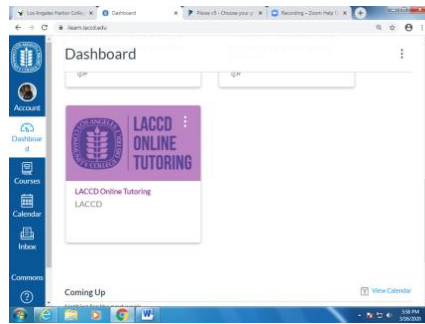

Does NetTutor provide confirmation of its use?
Students have a "locker" which records all their live tutoring sessions and keeps store of questions and papers they dropped off allowing for any confirmation students may need to provide to any instructor or student service.
