Puente Sessions launched Thursday, November 12, 2020. Puente Sessions are intended for Phase 3 Puentistas, but all students are welcome to join. The main purpose of Puente Sessions is for our students to be up to date with all the information they need to help them succeed. Also, the sessions are meant to continue building student rapport. Due to the pandemic, we understand that our students are facing new challenges, and some have other responsibilities. This session is for them, to help ease their way to complete the semester. For each session, Mr. Cedillos will cover L.A Harbor College updates, transfer information including application deadlines, campus/Puente Resources, and other services. If you would like to be part of Puente Sessions, please contact Mr. Cedillos
