• Mercy Yanez
• **2011-12 ACCOMPLISHMENTS:**

1. Target groups identified based on success, retention, and persistence.
   - African American Females
   - Latino Males
   - African American Males

2. Focus groups within the target groups were conducted to clearly pin-point problem areas.
Achieving the Dream
DATA TEAM

• **2011-12 ACCOMPLISHMENTS:**

3. **Math Follow-Up Survey**
   - 48% (of 180) indicated exhaustion with the amount of math they have had (or will have) to take
   - 1/3 chose majors based on the least amount of math they have to take
   - Students like to receive updates on their progress
   - Students like multiple teaching strategies.

4. **Assigned Data Team member to each strategy.**
Achieving the Dream
DATA TEAM

• LAHC PRIORITY AND STRATEGIES:

• PRIORITY: Increase number of students who progress through the developmental pipeline.

• STRATEGIES:

  1. First Year Experience
  2. Progress through Developmental Math Sequence
  3. Develop Cultural Equity Support/Program
• **LOOKING AHEAD - 2012-2013:**

• Continue to analyze and evaluate data collected from the three strategies:
  
  o Retention
  o Successful Completion
  o Persistence
  o Pre and Post Tests
  o Satisfaction Surveys
