Notes:

- The 2012-2013 year includes the fall 2012 and spring 2013 semesters.
- Figures are duplicated. A small amount of fall 2012 students re-took the English and/or math placement test in the spring because they were not satisfied with their results. This is allowed as long as they do not enroll in the course they were initially placed in.
- High schools outside Harbor’s service and surrounding areas were excluded in the placement level by high school origin pages.
