

# CERAMICS

## ART 706

**2 UNITS**

### CLAY SCULPTURE 1 (UC:CSU)

Lecture 1 hours and 5 minutes and laboratory 3 hours and 20 minutes per week.

Recommended Prerequisite: Art 501 and 714. Students are required to provide \$9:00 worth of instructional and other materials in order to complete this class.

1330 11:10 - 1:15 TTH J.D. McCafferty FA 108

#### Evening Classes

**3830 5:45 - 10:00 M J.D. McCafferty FA 108**

**3840 5:45 - 10:00 W J.D. McCafferty FA 108**

## ART 707

**2 UNITS**

### CLAY SCULPTURE 2 (UC:CSU)

Lecture 1 hours and 5 minutes and laboratory 3 hours and 20 minutes per week.

Recommended Prerequisite: Art 706. Students are required to provide \$9:00 worth of instructional and other materials in order to complete this class.

1331 11:10 - 1:15 TTh J.D. McCafferty FA 108

#### Evening Classes

**3831 5:45 - 10:00 M J.D. McCafferty FA 108**

**3841 5:45 - 10:00 W J.D. McCafferty FA 108**

## ART 712

**2 UNITS**

### CERAMICS WORKSHOP (UC:CSU)

Laboratory 4 hours and 25 minutes per week.

Recommended Prerequisite: Art 714. Independent study in ceramics. Students are required to provide \$9:00 worth of instructional and other materials in order to complete this class.

1332 11:10 - 1:15 TTh J.D. McCafferty FA 108

#### Evening Classes

**3832 5:45 - 10:00 M J.D. McCafferty FA 108**

**3842 5:45 - 10:00 W J.D. McCafferty FA 108**

## ART 713

**2 UNITS**

### BEGINNING CERAMICS 1 (UC:CSU)

Lecture 1 hours and 5 minutes and laboratory 3 hours and 20 minutes per week.

Recommended Prerequisite: Art 501. Making things in clay: hand building, wheelthrowing and glazing. Students are required to provide \$9:00 worth of instructional and other materials in order to complete this class.

1333 11:10 - 1:15 TTh J.D. McCafferty FA 108

#### Evening Classes

**3833 5:45 - 10:00 M J.D. McCafferty FA 108**

**3843 5:45 - 10:00 W J.D. McCafferty FA 108**

## ART 714

**2 UNITS**

### BEGINNING CERAMICS 2 (UC:CSU)

Lecture 1 hours and 5 minutes and laboratory 3 hours and 20 minutes per week.

Prerequisite: Art 713. Ceramic materials design and production emphasizing glazes and kiln firing. Students are required to provide \$9:00 worth of instructional and other materials in order to complete this class.

1334 11:10 - 1:15 TTh J.D. McCafferty FA 108

#### Evening Classes

**3834 5:45 - 10:00 M J.D. McCafferty FA 108**

**3844 5:45 - 10:00 W J.D. McCafferty FA 108**

## ART 718

**3 UNITS**

### CRAFTS WORKSHOP 3 (UC:CSU)

Lecture 2 hours and 10 minutes and laboratory 2 hours and 10 minutes per week.

Prerequisite: Art 717. Students are required to provide \$9:00 worth of instructional and other materials in order to complete this class.

1338 11:10 - 1:15 TTh J.D. McCafferty FA 108

#### Evening Classes

**3838 5:45 - 10:00 M J.D. McCafferty FA 108**

**3848 5:45 - 10:00 W J.D. McCafferty FA 108**

## **ART 716**

**3 UNITS**

### **CRAFTS WORKSHOP 1 (UC:CSU)**

Lecture 2 hours and 10 minutes and laboratory 2 hours and 10 minutes per week

Prerequisite: Art 715. Students are required to provide \$9:00 worth of instructional and other materials in order to complete this class.

1336 lab 11:10 - 1:15 TTh J.D. McCafferty FA 108

#### **Evening Classess**

**3836 lab 5:45 - 10:00 M J.D. McCafferty FA 108**

**3846 lab 5:45 - 10:00 W J.D. McCafferty FA 108**

## **ART 717**

**3 UNITS**

### **CRAFTS WORKSHOP 2 (UC:CSU)**

Lecture 2 hours and 10 minutes and laboratory 2 hours and 10 minutes per week

Prerequisite: Art 716. Students are required to provide \$9:00 worth of instructional and other materials in order to complete this class. This course is a concentrated study in limited craft areas on a project basis.

1337 11:10 - 1:15 TTh J.D. McCafferty FA 108

#### **Evening Classess**

**3837 5:45 - 10:00 M J.D. McCafferty FA 108**

**3847 5:45 - 10:00 W J.D. McCafferty FA 108**

## **ART 718**

**3 UNITS**

### **CRAFTS WORKSHOP 3 (UC:CSU)**

Lecture 2 hours and 10 minutes and laboratory 2 hours and 10 minutes per week

Prerequisite: Art 717. Students are required to provide \$9:00 worth of instructional and other materials in order to complete this class. This course is a concentrated study in limited craft areas on a project basis.
