Morning Session #158

1st Grade

Language Arts & Math

8:15 - 11:45am

Students in this course will enrich their reading and writing skills. This course will include the basic elements of language arts in addition to vocabulary improvement. Students will read stories, discuss the who, where, when, what, and why, and write critiques in correct grammar, and spelling. Instruction will be given in basic addition and subtraction facts, and primary word problems. Also introduced: telling time, basic geometric shape recognition, and reading simple graphs.

Morning Session #157

Academic Enrichment

Kindergarten Age Children

8:15 - 11:45am

Games, stories, and songs will help teach children the basics of reading. The alphabet, initial consonant sounds, and story sequencing will be introduced, through games and other fun activities. Advanced students will learn the phonetic value of letters, letter groups, and syllables that will give them the skill to master reading. Number recognition, shape recognition, and some basic math concepts will be introduced.

Afternoon Session #159*

Kindergarten & 1st Grade

12:30-4:00pm

Playtime Theatre: Children will be able to become their favorite animal, fairy tale character, and tell stories. Cooperation and appreciation of diversity will be emphasized.

Science Discoveries: Explore the world of dinosaurs, soar into outer space, and observe nature's wonders while enhancing critical thinking.

The Developing Artist: Create and explore various mediums of art in a supportive environment. Students will also make several fun crafts to stimulate their senses. *\$25 material fee per child for supplies.

Before and After School Care

Students of all ages are supervised in classrooms for parents with busy schedules.

Before School Care: 7:15 - 8:15 am #160.1 \$125

After School Care: 4:00 - 6:00 pm #160.2 \$175

*Students not enrolled in day care who are dropped off too early, or picked up late will be placed in child care. A fee will be charged.
