

READING ACROSS THE CURRICULUM

Tuesday, June 3rd & Wednesday, June 4th, 2008
Music Recital Hall

Join reading specialist Thomas Sadowski as he helps us in assisting our students in comprehending reading

The college Academic Senate and Academic Affairs Committees have embraced "improving our students' reading" as a major component for student success. As an attempt to address this issue, the college is offering this opportunity for all classroom personnel to integrate various activities into their classes. This seminar is designed to give you strategies to improve your students' reading ability.
