Los Angeles Harbor College  
Career Technical Education Committee  
Policy and Procedure Manual

Original prepared by: Mark Wood. Approved by the LAHC Academic Senate, May 5, 2011  
Revised: 3/5/13, Callihan. Approved by the LAHC Academic Senate, April 18, 2013

**Description:** The Career Technical Education Committee (CTEC) is a committee of the Academic Senate. The Faculty Co-Chair or designee will report to the Academic Senate on a monthly basis regarding curriculum development, emerging trends, financial reconciliation, and status of programs.

**Mission:** The Career Technical Education Committee is dedicated to fulfilling the college mission of developing student centered career technical education programs at Los Angeles Harbor College. CTEC shall work towards consistent program improvement through assessment of student learning and responsiveness to community needs.

**Qualification for program:** CTE is defined as providing a “technical skill proficiency, an industry-recognized credential, a certificate, or an associate degree”

CTE may include prerequisite courses that meet the requirements of the definition, as long as they are not remedial in nature

**Purpose:** The Career Technical Educational Committee will have primary oversight of the Career Technical Education Program at Los Angeles Harbor College. They will be responsible to:

- Assist in the development of degrees and certificates in CTE programs.
- At the postsecondary level, technical skill proficiency should include student achievement on technical assessments that are aligned with industry-recognized standards when possible. Also at the postsecondary level, student placement in high wage, high skill, or high demand occupations or professions should be measured.
- Oversee the reporting of required documentation for academic programs within the disciplines.
- Assist in the financial opportunities and program sustainability of the disciplines through distribution of CTE funding avenues and grant development.
- Recommend, review and assist in the development of new CTE programs.
- Report related materials to college, district, state and federal agencies.
- Assure the sustainability of CTE programs.

**Composition of Committee:** The composition of the Career Technical Education Committee shall be:
• The Dean of Economic Workforce and Development
• Representative from the Office of Research and Planning
• Representative from AFT Staff Guild
• Representative from each of the CTE Disciplines, as of spring 2013
