

Assessment Exemption

Semester/Term	
Fall	Winter
Spring	Summer
Year _____	

In accordance with Title 5 §55520, students who plan to enroll at the Los Angeles Community College District are to be provided with Core Matriculation Services: assessment, orientation, and counseling/advising services. Pursuant to Title 5 §55532, students may be exempt from the assessment component of matriculation if they meet certain criteria.

The form is to be used by student exempted from assessment services

Instructions

- Please complete the information below, identifying the reason(s) for your exemption request **with attached copies of required supporting documentation**.
- Bring the completed form and supporting documents to the counseling office. Forms are **only reviewed** during scheduled appointments.
