

Name _____

Music 161 , 261, 291, 292, 293, 294
Electronic Music / MIDI Instrument Instruction
Book/Periodical Report

Read an article in any book (other than the class text book) or periodical dealing with electronic music technology and art. The book, journal, or magazine should be as current as possible. (Less than two years old.) After reading, respond to the following questions.

1. What was the name of the book, journal, or magazine? What was the date of publication? What was the name of the specific article you read? Who wrote the article?

2. Briefly, what was the article was about?

3. Where there things in the article (technical terms, etc.) that were confusing to you?

4. What are some of the things you learned from the article?
