Concert Report

Please staple a ticket stub or concert program to this sheet and then answer the following questions:

1. Who, What, When, Where? Tell me what concert you attended, when, where, etc.

2. How did the performer use electronic music technology in the performance. (Keyboard synthesizers, keyboard controllers, guitar, percussion, or other alternative MIDI controllers, sound modules, sequencers, computer sequencers, etc.)

3. What was your overall reaction to the performance? Did the electronic music technology enhance the musical experience or take away from it? How?
