ECONOMIC TRENDS
Foreclosures surrounding the LAHC Area

Housing Foreclosure Rates - January 2010

Carson and Harbor City have the highest foreclosure rates within LAHC's surrounding area. These rates are also higher compared to L.A. County and the State.

ECONOMIC TRENDS SUMMARY

- High demand for classes will continue through at least Fall 2010—perhaps Spring 2011.
- Industrial and Occupational Projections are still impacted by the recession and should be examined carefully.
- Education remains the “best defense” against unemployment.
- Although the 6-month foreclosure trend has been falling, the economic effects will continue in the next several years.
