| 3. Organizational Resources | In support of student learning, the Sheriff’s will maintain a safe college environment. | a. Bi-annual student survey.  
   b. Bi-annual faculty survey.  
   c. Annual campus crime reports. | a. At least 85% of students will “Strongly agree” or “agree” that they feel safe and secure on campus.  
   b. At least 90% of responses will fall into “Strongly agree” or “Agree in all categories”.  
   c. Crime rate will remain consistent or drop when compared to previous years. | a. In 2007, 79.6% of students fell into this category. In 2009, the level was 90%. The campus has improved lighting, added call boxes, and an intercom alert system.  
   b. In 2009, all responses were in the 90% or better range.  
   c. The 3 year analysis (2007-2009) Clery Stats indicate that during that time period there was only 1 sex crime in 2000 and 3 aggravated assaults. However, burglaries have increased to 12 probably as a result of new equipment on campus and the poor economy. Yet Harbor continues to have the lowest crime rate in the district. | a. Efforts are being made to increase visibility of officers, deputies and cadets.  
   b. Continue to monitor results.  
   c. Continue to monitor. Work with LAPD as needed. Increase visibility on campus. |
