VI. PUBLIC FORUM: Peter Dodson talks about the Psi Beta club. He discussed members expecting to have a 3.25 GPA and to preferably be a psychology major, but to be a member, it isn’t necessary. He hopes that the club will start as a club on campus and then move to becoming an honors society on campus. The meetings are held on Mondays at 2 PM in the NEA building in the Pace conference room. This club is different because it is actually a nationally known group. Tiffany Holmes talked to the room about bringing back the Black Student Union (BSU). She just wants to bring awareness to the campus about the black community on campus. The club plans to do charity work to give back to the community, but is open to whatever the students want. They haven’t met yet, but she would like the meetings to be on Friday from 2-3 Pm in SSA 219. You can contact her at tifholm30@gmail.com.

VII. SPECIAL GUEST SPEAKER: None scheduled

VIII. ADVISOR REPORT (10 minutes) Gary Gonzales reminded the room that if they have to come late/leave early from an ASO meeting, that they must talk to either him or Avery. There will be a MANDATORY meeting next Tuesday after the ASO meeting for students going to CCCSAA. He congratulated the students who dressed as the mascots as the last football game; they did a great job! There is soccer game today at 4PM and there is a Parli Pro workshop this Friday (October 3, 2014) from 9-3 at LA Trade Tech. The LAHC B-day Bash is officially on October 16, 2014; it will also be President Lee’s meet and greet with the students.
from 11-2. Tomorrow will be the ASO golf event on the grass area next to the NEA from 11-1. We will later discuss the issue with the $1 rep fee students have to pay.

IX. EXECUTIVE OFFICER REPORTS (5 minutes per officer): Avery Bivinetto foreshadows the student representation fee issue we will be talking about later in the meeting. Marco Maruffo reminds senators to sign up for the Parli Pro workshop this Friday and that we might do a carpool if enough students go. He also informs the room that they should join the ASO Facebook page. Emily McNabb introduces the “agenda request form” and explains it to everyone.

X. UNFINISHED BUSINESS: There is no unfinished business to discuss

XI. NEW BUSINESS (Action may be taken):
   a) Chartering the Black Student Union (BSU): With no objections, the notion passes unanimously by the above voting members above.
   b) Chartering the Psi Beta Club: There was some discussion about this club interfering with the current psychology club and honors club. With no objections, the notion passes unanimously by the above voting members above.
   c) 65th Birthday Bash/HTPA Dancers Practice: (Alonso) With no objections, the notion passes to support unanimously by the above voting members above.
   d) 65th Birthday Bash/LAHC Dancers Practice: (Alonso) With no objections, the notion passes to support unanimously by the above voting members above.
   e) Talent Show: (Bivinetto) discusses how this is an easy event to plan and it will get our name around campus. If you are interested, you should contact either him or Gary, but there is a waiting period for money if you are planning this.
   f) Campus Safety Workshop: (Bivinetto) talks about another easy event to plan. Sargent Vahn said he would volunteer to come and talk about the safety procedures we have on campus and what we can do.
   g) Representation Fee Account: (Bivinetto) We had 21,000 students attend LAHC last year, but we only got $16,000 from the Business Office. Every student has to pay this $1 fee, so Bivinetto would just like to get consent from the senate to go and talk to them. With no objections, the notion passes to support unanimously by the above voting members above.

XII. SENATE PROJECTS:
XIII. COMMITTEE REPORTS: LAHC Birthday Bash: They are going over the prices for the cupcakes and ways to make it the most cost efficient. The official date of the party is October 16, 2014 in the quad and it will also be a meet and greet with President Lee. Advertising Committee: This committee hasn’t met yet. Constitution/Bylaws Committee: Maruffo would like everyone to give me their contact information if they are interested because that is how we will all be in contact. The committee hasn’t done anything yet because they still have to plan meetings with Gary.

XIV. SHARED GOVERNANCE: (3 minutes) No reports were shared.
XV. INFORMATION ITEMS: Senator Rico announced that the Criminal Justice Club will be moving their fundraising on October 15 and 16 to a week later. He also adds that if senators see old flyers on the bulletin boards that they should rip them down so students can be informed with current information on campus. He also says that the Criminal Justice Club has been doing a lot more in class announcements and that they are very successful so ASO should do them more. Senator Heredia informs everyone that the Snack Shack is now open and students can buy food and drinks.

XVI. ADJOURNMENT: 2:38.
