### AA-T in Music for Transfer

The Associate of Arts degree in Music is designed for students who plan to transfer to the CSU system. The AA degree consists of a core general education component, 22 units in the major, and additional elective units as needed to reach a minimum of 60 transferable units overall; a **minimum cumulative 2.0 grade point average is required**. Note: Students must earn a “C” or better in all courses required for the major. A “P” (Pass) grade is not an acceptable grade for courses in the major.

#### Choose either option for the General Education Core:

- **CSU G.E. Breadth (39-41 units)—Including Golden Four** (A3-critical thinking, A1-communication, A2-English composition, and B4-quantitative reasoning with a minimum grade of “C”).
- IGETC (34-41 units) must earn a “C” grade or higher in all courses.

**GE Certification not required.**

All students are strongly advised to meet with a counselor for academic planning. Students who plan to transfer will need to consult a counselor and the Transfer Center for specific information regarding preparation for the intended major at the colleges/universities of choice, in order to facilitate a seamless transition.
