Los Angeles Harbor College
Matriculation Advisory Committee Minutes

Date: May 14, 2008

1. Approved Agenda and Minutes
   a. Richards moved. Loiterman seconded.

2. Assessment Center Report (C. Santana)
   a. Math SID (Student Informed Decision)
      i. Started using Math SID 4/22/08. Students may take either Arithmetic, Pre-Algebra or provide official high school or college transcripts to a counselor.
      ii. Discussions regarding the use of high school transcripts for placement.
      iii. Discussion regarding the Math Department working on cut scores for the new test for the new testing cycle which starts in September.
   b. We have provided walk-in assessments on Saturday as well as at the high school campuses.

3. Matriculation Coordinator Report (E. Colocho)
   a. Districtwide Matriculation Advisory Committee
      i. Degree Works
         1. East and South West are supposed to go live with Degree Works by July but it is not likely to happen.
         2. Harbor, City and Pierce are the last to go on but no SEP data would be collected.
      ii. APMS
         1. $10,000 will be paid to Dr. Duxler for APMS. Part of the money will go towards an assistant (back-up person).
   b. CCCMPA
      i. Talking Points on Proposed State Budget Cuts to Matriculation handout was distributed.
      ii. Association lobbied in Sacramento
      iii. Revising budget formula, moving towards head count formula for money allocation (like DSPS and EOP&S).
c. **On Campus Matriculation**
   i. Extra money was used for one .6 counselors up until 6/30/08. Counselor is working on retention and the 146 dismissed students. M. Hobbs is making presentations for Dev. Com. 76, and math classes.
   ii. New Assessment Center in the new Student Services Building will have a bigger lab.
