Admission Process

1. Prerequisites
2. Application
3. New! ATI TEAS
4. Selection
Application

- Apply at LAHC
  - www.lahc.edu ➔ Apply Online
  - Receive Student ID and email (@student.laccd.edu)
- Enrolled at another LACCD campus ➔ enrolled at Harbor (no need to reapply)
Application: What’s Included

1) Nursing Application Form
2) Transcripts
   - Transcript evaluation for foreign transcripts
3) Current LVN CA license
4) Petitions for course equivalency (only if needed)
Application: Nursing
Application Form

- Find Application Form online
  - www.lahc.edu/classes/nursing ➔ Prospective Students
- Obtain from website only; no older forms accepted
- Download Application Form (fillable form)
  - Follow all directions; be truthful
- Print and attach other items
  - Transcripts, petitions
This is a sample
This is a sample
Application: Transcripts

- You must submit transcripts from **ALL** institutions attended, whether or not relates to pre/co-requisites
  - *Including institutions listed on another institution’s transcripts*
- Must be official (sealed, unopened)
Application: Transcripts cont.

Order **Two (2) copies**

One transcript with your nursing application

- LACCD transcripts must be official (exception: LAHC can be unofficial)
- *Hand-delivered only; do not mail to Nursing department*

One transcript to LAHC Admissions

- Do not send LACCD transcripts, per Admissions
- Must be sent directly from institution to LAHC Admissions
- *Mailed directly to Admissions; do not hand deliver*
Foreign transcripts
- Official sealed transcripts AND official sealed evaluation
- Remember to petition courses for equivalency

Out-of-state/Private Institution transcripts
- Remember to petition courses for equivalency
Application: Transcripts cont.

- Advanced Placement (AP) Coursework
  - Credit may be granted immediately OR may require petition for credit – see a counselor
  - **Send scores to Admissions & Records for credit**
  - Must provide LAHC unofficial transcript as proof

These are only examples. Actual transcription may vary.
High School transcripts: when to submit?

- If you do not have a previous degree (AA or higher)
- If you are using *High School Chemistry* (even with previous degree)
  - Example 1: Student with High School Diploma only needs to submit high school transcripts
  - Example 2: Student with Bachelor’s using high school chemistry needs to submit high school transcripts

*One copy with application, one copy to Admissions*

*Copies of diplomas will not be accepted*
See a counselor to ensure your courses meet admission requirements

If there is no current agreement or articulation of a course between one institution and LAHC, then a petition for course equivalency is required
Application: Petitions cont.

- Majority of community college courses do not require petitions
- Many university courses (CSU, UC) are accepted
- **Petitions are absolutely required for courses used from**
  - Out-of-state institutions
  - Any private institutions (e.g. West Coast University)
  - Foreign institutions
Petition for course equivalency

- See Counseling for form
- Usually include course grade, description, syllabi, etc.

Signed off by department chair/administrator

Not a quick process (plan ahead)

**Must include copy of signed, approved petition**

- OR posted on LAHC transcript (Memoranda)
# GENERAL PETITION

Selection: Background Checks & Drug Testing

To comply with the Joint Commission on the Accreditation of Healthcare Organizations and state and local regulations regarding background checks for healthcare providers, the following policy is hereby implemented by the Associate Degree Registered Nursing Directors of the Los Angeles Community Colleges:
Criminal Background Clearance and Urine Drug Screen: All students must have completed a criminal background clearance/urine drug test and have proof of clearance prior to entering any nursing course with a clinical component. This includes local hospitals and health care agencies, including the county, community and private facilities. **Students who cannot present a clear background check will not be permitted to enter the nursing program. Students who test positive on a drug screen will not be able to continue in the nursing program** UNLESS a physician writes a note stating that prescription medications are causing the positive drug screen. Plan ahead to address any potential items that may appear on your background check. –**Student Handbook 2015-2016**
Selection: Background Checks & Drug Testing

- **Plan ahead** to address any potential items that may appear on your background check.

- Specific facilities may also require **Live Scan**.
  
  - Students who are denied clinical placement due to the inability to pass a required Live Scan will NOT be permitted to continue in the nursing program, unless an appropriate clinical placement can be found at an alternative agency. –Student Handbook 2015-2016
30-Unit Option

REQUIREMENTS AND CONSIDERATIONS
30-Unit Option Requirements

- Current California LVN license
- An overall GPA of 2.5 for **Physiology I** and **Microbiology 20** with no less than a “C” for each course and no more than one repetition in any one of these courses.
- Completion of Nursing 329A and B, Nursing 311 and Nursing 321 with a grade of “C” or better
- ATI TEAS 62% cut score
30-Unit Option Considerations

- Non-degree pathway
  - Not a graduate of LAHC, sit for NCLEX only
- California-only endorsement, restriction
- Difficult to continue higher education (e.g. BSN)
- Space availability in program placement

Vicky Chang and Family Nursing Scholarship Program

$2 million donation to LACCD nursing programs
Covers costs of licensure fees
Starting Fall 2016, lasting 8 years
Considerations for LVNs

- Working schedules, outside commitments
- Considering 1st semester for those without prior practice/experience
What To Do While Waiting?

- Enrolled in 311, 321, 329A, 329B
- Study for ATI TEAS
- Finish any and all outstanding Co-requisites
- Take recommended electives
- Start planning for BSN transfer
  - Consider dual enrollment programs
  - Most common deficiencies: College Chemistry, Statistics, Health Education, Critical Thinking
Recommended Electives

*Taking these recommended elective nursing courses is a great way to meet future professors!*

Nursing 302

- Mathematics of Drugs and Solutions

Nursing 364

- Pharmacology
