

Roadmap for LA Harbor College ADN Program and CSU Dominguez Hills RN-BSN Program

Admission Requirements for Los Angeles Harbor College (LAHC)

LAHC has a four-semester Associate Degree in Nursing (ADN) Program. Prerequisite course requirements must be met prior to acceptance into the nursing program.

Prerequisites include:

1. Graduation from an accredited U.S. high school or equivalent.
2. Acceptance as a fully matriculated student at LAHC.
3. Meet the LAHC math graduation requirement.
4. Cumulative grade point average of 2.5 for all college coursework.
5. Completion of all pre-requisite coursework (see table below). An overall GPA of 2.5 is required for anatomy, physiology, and microbiology, with no grade less than “C” for each and no more than one repetition for any of course.
6. For Chemistry, English 101, Psychology 1, and Psychology 41, a grade of “C” or better is required.
7. Minimum cut score on pre-entry test for basic academic skills.

ROADMAP FOR CSU DOMINGUEZ HILLS RN-BSN PROGRAM:

Completion of a community college nursing program does not guarantee admission to the CSU. Eligible students are usually admitted every fall and spring semester. Students are encouraged to complete any lower division general education courses prior to enrollment.

Admission Requirements

- 60 or more transferable college units (70 semester units/105 quarter units maximum accepted from community colleges and 96 units from a four-year institution)
- Current RN licensure in the United States or transcripts noting you are near the end of the program
- College GPA of at least 2.0. However, applicants with a Bachelor's degree in another major are considered 2nd baccalaureate students.
 - GPA (from the 1st bachelor's degree) of at least 2.5 or higher is required.
- Completion of the following Prerequisite courses including the Basic GE Courses (the golden 4 are noted with a *)
 - It is strongly recommended that you obtain GE Certification from a community college prior to admission.

CSUDH Nursing Program Prerequisite Course	CSU GE-Breadth Area
• Oral communication *	A1
• Written communication *	A2
• Critical thinking *	A3
• Statistics *	B4
• College Chemistry: general, inorganic, organic or integrated (with associated lab if required at the institution where the course was taken) †	B1, (B3)
• Human anatomy (with required lab)	B2, B3
• Human physiology (with required lab)	B2, B3
• Microbiology (with required lab)	B2, B3

CURRICULUM FOR CSU DOMINGUEZ HILLS:

The cumulative total for an ADN graduate to obtain a BSN degree is 120 units. With 70 units transferred from LAHC to CSUDH, most RN-BSN students need to complete 50 units at CSUDH. Out of these 50 units, 6 units are given for NCLEX credit once the students submit their RN license to the CSUDH School of Nursing—leaving 44 units for students to complete.

Course	Units	Upper Division General Education (GE)
BSN 302 Concepts of Professional Nursing Practice	3

Upper division humanities requirement	3	Satisfies upper division GE-category C
Elective: BSN 494 Independent Study	1-3	If students need units to meet the 120-unit requirement.
Graduate Writing Assessment Requirement (ENG 350 or GWE)	0-3	Students may take a challenge exam. If failing, students must take ENG 350.
NCLEX credit	6	Once students submit the RN license to SON.
Total Units	50-56	

Note: CSUDH is not a cohort-based program, hence there is flexibility in course sequencing as long as the following rules are followed:

1. In general, complete 300 level courses prior to 400 level courses
2. Complete 346 prior to or concurrently with 380/381
3. Complete 346 and 380/381 before enrolling in 422/423L and 450/451L

BSN Degree Requirements

1. Completion of 120 semester units (students admitted Fall '95 or later) with the required 2.0 GPA.
2. Completion of the lower division General Education requirement (48 semester units)
3. Satisfaction of the American Institutions requirement in U.S. Constitution, State and Local Government.
4. Satisfaction of **Graduation Writing Assessment Requirement (GWAR)** by exam or course (<http://www4.csudh.edu/son/info/gwe/index>).
5. Satisfaction of the Entry Level Mathematics (ELM) requirement or exemption and English Placement test or exemption.
6. Complete the residence requirement of 30 semester units earned through CSUDH while an admitted SON student. Residence units refer to those units earned at CSUDH while an officially admitted student in a degree program. Residence requirements for a bachelor's degree include a minimum of 30 semester units in residence of which 24 units must be in upper division courses and 18 units must be earned in the major.

Examples of the plan of study (as a full-time student, a part-time student, and a full-time, accelerated student) can be found at
