

Please note, most sites will not be available until the first day of the semester.

Etudes is our online classroom system where you will find communicate with your instructor and with other students, find instructions and study materials and turn in assignments. Your account will be active a few days before the semester starts.

The link to get to the course is: <https://myetudes.org/portal>

The screen should look like something the one below. The arrow points to the user id and password area:

Your user id is the same as your Harbor College student id number (the one that starts with 88).

Your Password: month and day of birth (4 digits)

For John Lennon, it would be 1009—he was born on October 9th.

If you have logged into Etudes previously and changed the password, it will be whatever you set it to before. If you don't remember, click on the Reset Password box on the left.

If you have problems accessing the class, please go to this site and request assistance from the help desk:

<http://etudes.org/gateway/etudes-student-help-lahc.html>

When you successfully login, you should see the Dashboard screen similar to this one:

The arrow is pointing to a link to a video that shows you how to add a picture to your profile and change email notification settings. There is also a link to a PDF file explaining how to use the Dashboard.

Each site box shows you if you have new private messages, unread discussion posts and graded work to review.

First, protect your ETUDES-NG account: Change the default password. Click on Account in the upper left. Then click Edit under Login. A strong password helps secure your Etudes account from being hacked. Create a strong password that has at least:

8 characters.

A number.

An upper case letter.

A lower case letter.

Set the password to something you can remember. PLEASE WRITE IT DOWN! This account will give you access to all your ETUDES courses.

If you forget your password, you must click the Reset Password button from the login page.

After that, click on the box that corresponds to the course that you're enrolled in.

The screenshot shows a web browser window displaying the myetudes.org portal. The browser's address bar shows the URL: https://myetudes.org/portal/site/6ecc290e-fb40-4367-80b1-4d616210fd4b. The page header includes the LAHC logo and navigation links: Dashboard, My Sites, My Resources, Account, Preferences, Help. The user is logged in as Student Lane. The main content area is titled 'HOME' and features a 'Welcome' message. A green arrow points to a link in the 'Recent Announcements' section: 'Welcome Message from Ms. Lane'.

Welcome

Welcome to our online classroom for COSCI058 Computer Literacy! Begin by going to Announcements and viewing my video.

Don't hesitate to contact me if you have any questions or difficulties. In emails and phone calls, make sure you include your full name and the class section you are in. You can also post questions in the Discussion Questions topic if they may be of interest to others and I'll answer there.

[Welcome Message from Ms. Lane](#)
Lora Lane, Jan 15, 2014 02:23 PM

I've created a video with information about how to start the class. It is about 2.5 minutes long. I created it last Fall, so the correct due date for the first assignment is Sunday Feb. 16. It can be turned in late through Feb. 23rd but Assignment 2 is due that same day.

Click the link to open the [Welcome Video](#)

I've provided a written transcript in Word format in case you cannot play the video. The video is just my talking head so you can see the "real person" behind the class. Don't worry, you're not missing anything critical if you can't see it. Click for [Transcript](#)
