

ASO Senator Contract

Please print this ASO Senator Contract, fill in all relevant information, sign, and obtain the president's signature. Then scan this document to your computer, and email it to the ASO Advisor, Vice President of Student Services, ASO President, ASO Vice President, and Senior Office Assistant.

Any misinformation will mean AUTOMATIC FORFEITURE of office. If your previous semester was in high school, you MUST have a high school transcript on file to qualify for candidacy of ANY office. A student cannot be a candidate for A.S.O. office if he/she has already served four semesters in a student government office in any college. In order to be in office for more than four semesters, you must be elected to an office with a one year term in his/her fourth semester of service. No member of the ASO government may hold more than one ASO Student Government office in one semester.

By signing this contract, I,

(prospective senator) have read and thoroughly understand the requirements and duties associated with the position I am applying for. I also understand that reducing my units or poor meeting attendance may result in forfeiture of my position. I hereby dedicate myself to Los Angeles Harbor College and the Associated Student Organization and will to the best of my ability put forth every effort toward accomplishing the task I have before me. I understand that I must attend every senate meeting, must service on a Shared Governance Committee, and legislate.
