STUDENT DISCIPLINE

91101. STUDENT DISCIPLINE PROCEDURES.

91101.10 Purpose and General Policy

- a. Purpose and Scope. Community college districts are required by law to adopt standards of student conduct along with applicable penalties for violation (Education Code Sections 66017, 66300, 76030 and 76031). The Los Angeles Community College District has complied with this requirement by adopting Board Rules 9803, Standards of Student Conduct and 91101, Student Discipline Procedures. The purpose of Board Rule 91101 is to provide uniform procedures to assure due process when a student is charged with a violation of the Standards of Student Conduct. All proceedings held in accordance with this Board Rule shall relate to an alleged violation of appropriate standards of student conduct. These provisions do not apply to grievance procedures, student organization councils and courts, or residence determination and other academic and legal requirements for admission and retention. Disciplinary measures may be taken by the college independently of any charges filed through civil or criminal authorities, or both.

Amended 06-14-95

- b. General Policy. Conduct at any of the Colleges and District Office in the Los Angeles Community College District must conform with the laws of the Federal Government and the State of California and District policies and procedures. The Los Angeles Community College District faculty, staff and administration are dedicated to maintaining an optimal learning environment; the standards of behavior as outlined in Board Rule 9803 are essential to the maintenance of a quality college environment. These standards apply to all current students on campus, or other college property or while attending any college-sponsored classes, activities or events. Violation of such laws, policies, rules and regulations or behavior adversely affecting suitability as a student, will lead to disciplinary action. Former students may also be disciplined for violating the District's standards of behavior (Board Rule section 9803 et seq.) or other college property or at a college-sponsored activity or event.
