Nurse Assistant Training Program
NRS-HCA 399A

CERTIFIED NURSING ASSISTANT

- Take advantage of our convenient week-end schedule.
- Get certified in just 12 weeks!
- Books, uniforms, and licensure exams paid for by RUPE Foundation.

Get a jump start on your career! This combined lecture/lab course teaches you the theory and clinical skills needed to work with residents/patients in a skilled nursing facility. This course has been approved by the Department of Health Services. After the successful completion of this course, you will be eligible to take the State of California Certified Nurse Assistant examination.
