PUBLIC NOTICE: ACTIVE SHOOTER DRILL ***TUESDAY, MAY 2, 2023, at Los Angeles Harbor College***

Wilmington, CA — Los Angeles Harbor College, in conjunction with LACCD, the Los Angeles County Sheriff's Department, local EMS, Fire Department and local law enforcement will be conducting an **Active Shooter Drill on Tuesday, May 2, 2023, at Los Angeles Harbor College Campus beginning at 9:00 am.**

To simulate an active shooter at the College, the active shooter will be wearing all black and will be accompanied by the Sheriff's Department during the entire drill to ensure safety for all involved.

The purpose of the Active Shooter Drill is to prepare, train, and observe an actual simulation to assess our preparation as a college. Harbor College staff will respond and transition into lockdown mode while addressing gunshot injuries and the current drill situation.

The drill will begin at 9:00 am and end at approximately 12:30 pm. The drill will move through the NEA building and be centralized in the Library/LRC. Any impact on the community should be minimal. On the day of the drill signs will be strategically placed throughout the campus giving notice of the drill in progress. Beginning at 7 am, L Street will be partially blocked with a detour route through Parks and Recreation. Parking Lots 2, 3 and 10 will be shut down, including the drop off zone on Figueroa Place near the flagpole. (see map on backside of this page)

Residents should be aware that real-life sights and sounds may be seen and heard during this Drill along the border of the Harbor College Campus. There will be a variety of emergency response vehicles in the area.

This exercise will not interrupt public safety services. Residents in the area should continue reporting real-world emergencies by dialing 9-1-1.

Should you have any questions, please contact the President's Office at (310). 233-4011.
