

FOSTER & KINSHIP CARE EDUCATION PROGRAM

About Us

The Foster & Kinship Care Education Program at Los Angeles Harbor College provides quality education and support activities that is mandated by the State of California to caregivers of children and youth in out-of-home care so that they may meet the medical, educational, emotional, behavioral and developmental needs of children and youth.

Our Values & What We Offer

We value our caregivers in assisting them with their education by offering a supporting learning environment so that they receive the best outcome from our program. In order to do so we provide our caregivers with the newest SCI curriculum and a variety of Renewal workshops throughout the fiscal year. After successfully participating in any of our various trainings we provide our caregivers with a certificate of completion. Our program is designed with our caregivers in mind, helping to bridge the gap between questions and answers.

All FKCE workshops are FREE and open to the community.

Frequently Asked Questions

- What is SCI/ SCI Training?
 - SCI (Specialized Care Increment) is the new curriculum that replaces D & F Rate as of July 1, 2021.
- How many hours is the SCI Training and how do I find them?
 - The SCI training is 2 parts- (1) 12 hour core training which is broken down in 3 days. (Must attend all 3 days) & (2) choose any SCI Specialized topic workshop (Must be 4 hours) The total SCI Training will be 16 hours!
- How many renewal training hours do I need each year?
 - RFA Renewal= 8 hours; W-rate= 4hours; and SCI Renewal= 6 hours
- What classes do I take to renew my current D & F rate?
 - You will now take classes labeled as SCI Specialized Topic
- How do I know if I am or when it is time to convert to LOC/SCI?
 - Your CSW will request an LOC/SCI assessment when you either receive a new placement, or when it is time for your annual D or F rate reassessment, whichever happens first.
- When can I take the SCI training?
 - You can begin taking the SCI training now, you do not have to wait for your CSW to initiate the LOC protocol. The training will assist you with being prepared for the conversion.
