

Stand out in the competitive healthcare field!

Real Patients. Real Healthcare Settings. Unparalleled Experiences.

Health Scholars Program

Program experience includes:

- ✓ **Hands-on clinical & administrative experience:** Assist with vital signs, patient support, and administrative tasks in hospitals and ambulatory clinics.
- ✓ **Leadership experience:** Individualized professional development and mentorship while gaining experience in healthcare operations and management.
- ✓ **Access to jobs & training opportunities:** Health Scholars are preferred applicants for roles at partner health systems and COPE Health Solutions. Training is available for Medical Assistant, Community Health Worker, CNA, and more.

Certificate of Completion

Earn a certificate of completion from the UCLA Fielding School of Public Health and COPE Health Solutions.

Join an Exclusive Alumni Network

Connect with 36,000+ healthcare professionals. Access mentorships, test prep discounts, unique training/education opportunities & jobs.
