FINAL EXAM SCHEDULE – FALL 2025

Monday, December 15 – Sunday, December 21, 2025

- Final exams for In-Person classes will be administered in their regularly scheduled location on the day and times shown below.
- Final exams for Online Live (synchronous) classes will be administered online on the day and times shown below.
- Final exams for Online (asynchronous) classes will be administered asynchronously online at the end of the class.
- Final exams for hybrid classes (those combining in-person and online modalities) will be administered either asynchronously online or at their regularly scheduled location on the day and times shown below per the class syllabus.
- Final exams for short-term classes will be administered during the last class session.
- Final exams will not exceed two hours in duration, except in order to comply with an approved accommodation.
- **In the event of a final exam time conflict, the instructors of the affected classes will work with the Office of Academic Affairs to arrange alternative times that will accommodate all affected students.**

HOW TO FIND YOUR FINAL EXAM DAY AND TIME USING THE TABLE BELOW:

1. In the top row, find the heading for the day(s) the class regularly meets.
2. In the left column, find the time that is closest to when the class regularly starts.
3. Your exam day and time is located where they intersect under the that day heading and to the right of the start time.
4. For example, if your class meets Mondays only at 11:25am, your final exam will be Monday, December 9, 11:20am-1:20pm. Or if your class meets Tuesday and Thursdays at 4:20pm, your final exam will be Thursday, December 18, 3:40pm-5:40pm.

ADMINISTRATION OF JUSTICE

ADM JUS 001-Introduction To Administration Of Justice (UC/CSU) - 3 Units

Philosophy, history, and theories of the criminal justice system, including the roles and functions of the local, state, and federal jurisdictions. Theories, functions, and interrelationships among criminal justice agencies; law enforcement, courts, and corrections; crime causation, correctional theory, analysis and the social impact of crime. The conceptual approach utilized in this course recognizes that criminal justice is itself a distinct academic discipline rather than an interdisciplinary course of study.

AFRICAN AMERICAN STUDIES

AFRO AM 004-The African American In The History Of The U.S. I (UC/CSU) - 3 Units

Requirement Designation: Meets Cal-GETC-4 or 6 & US1

Enrollment Requirement: This course is cross-listed with HISTORY 041.

Students analyze how black Americans were active agents in creating their own societies and culture from Africa to the Civil War. Emphasis is placed on the African background of African Americans, the institution of slavery, the development of African American community institutions, and African American participation in, and impact on, the Civil War.

AFRO AM 005-The African American in the History of the U.S. II (UC/CSU) - 3 Units

Requirement Designation: Meets Cal-GETC-4 or 6 & US1

Enrollment Requirement: This course is cross-listed with HISTORY 042.

This course is from the perspective of people of African ancestry and introduces students to major social and cultural events in the African American experience, from the Reconstruction Era to the present. Integrated learning strands include an overview of Black progress movements in the contexts of race, equity, gender, sexuality, Black feminism, and social justice in the contemporary Black experience. This course documents the Black societies and culture that resisted against racism, helping students understand the theories and motivations behind race-based social patterns that forged U.S. political, social, cultural and economic relations from 1865 to the present.

BIOLOGY

BIOLOGY 003-Introduction to Biology (UC/CSU) - 4 Units

Requirement Designation: Meets Cal-GETC-5B or 5C

This course for non-majors examines the fundamental principles of biology with laboratories emphasizing hands-on investigations. Topics include an introduction to evolutionary theory, basic biological chemistry, cell function and reproduction, cellular respiration and photosynthesis, classical and contemporary genetics, gene expression and an introduction to animal structure and function. Meets UC/CSU GE requirement of natural science with a lab.

| Class No | Component | Start/End Time | Days | Instructor | Room |

BIOLOGY 006-General Biology I (UC/CSU) - 5 Units

Requirement Designation: Meets Cal-GETC-5B or 5C

Enrollment Requirement: MATH Placement.

This is a general biology course designed for life science and many pre-health majors. It examines basic cellular biology, metabolism, genetics, molecular biology, and the relationship between form and function of living organisms. Note: Some 4-year institutions prefer that Biology 6 and 7 be taken at the same college.

| Class No | Component | Start/End Time | Days | Instructor | Room |
|----------|-----------|-------------------|------|--------------|---------|
| 17337 | LEC | 8:05 am - 9:30 am | TTh | Rosales, C R | SCC 154 |

BIOLOGY 007-General Biology II (UC/CSU) - 5 Units

Requirement Designation: Meets Cal-GETC-5B or 5C

Enrollment Requirement: Prerequisite: Completion of BIOLOGY 006 with a grade of C or better.

This is a general biology course designed for life science and many pre-health majors. It examines the unifying principles of biology through the study of phylogeny, taxonomy, organismal structure/function, evolution, and ecology. Note: Some 4-year institutions prefer that Biology 6 and 7 be taken at the same college.

| Class No | Component | Start/End Time | Days | Instructor | Room |

BIOLOGY 033-Medical Terminology (CSU) - 3 Units

This course develops a comprehensive medical vocabulary applicable to all specialties of medicine, through learning Greek and Latin prefixes, suffixes and word roots. Training in the spelling, pronunciation, and definition of medical terms and abbreviations is provided, as well as the use of a medical dictionary.

| Class No | Component | Start/End Time | Days | Instructor | Room |

BUSINESS

BUS 001-Introduction To Business (UC/CSU) - 3 Units

Students engage in a multidisciplinary examination of how culture, society, economic systems, legal, international, political, financial institutions, and human behavior interact to affect a business organization's policy and practices within the U.S. and a global society. The course demonstrates how these influences impact the primary areas of business including: organizational structure and design, leadership, human resource management, risk management and insurance, organized labor practices, ethics and social responsibility, marketing, organizational communication, e-business/technology, entrepreneurship, legal, accounting, and financial practices, and the stock and securities market; and therefore how they affect a business's ability to achieve its organizational goals.

CHEMISTRY

CHEM 051-Fundamentals Of Chemistry I (UC/CSU) - 5 Units

Requirement Designation: Meets Cal-GETC-5A or 5C

Chemistry 51 is a descriptive course in general, organic and biological chemistry designed for nursing and Allied Health students. Topics include: the metric system of measurements, chemical symbols, formulas and nomenclature systems, chemical equations and physical and chemical characteristics for all states of matter. Other topics include acids, bases, buffers and pH. Organic topics focus on functional group identification including hydrocarbons, organic halide, alcohols, ethers, ketones, aldehydes, amines, carboxylic acids, esters and other acid derivatives, carbohydrates, lipids and proteins are also surveyed.

CHEM 065-Introductory General Chemistry (UC/CSU) - 4 Units

Requirement Designation: Meets Cal-GETC-5A or 5C

Enrollment Requirement: Conditions of Enrollment: Completion of Elementary Algebra, the equivalent or higher, completed at the secondary post-secondary level, or by placing into any college-level math course.

This course is a survey of basic chemistry topics. The course is intended as preparation for chemistry, some allied health majors, or for students completing their general education. Topics include atoms and elements, nomenclature, chemical bonds, chemical reactions, stoichiometry, energy and states of matter, gas laws, aqueous systems, solutions, and acids, bases and salts. Laboratory activities will support the range of topics covered in lecture including chemical laboratory safety, qualitative and quantitative experiments.

CHEM 101-General Chemistry I (UC/CSU) - 5 Units

Requirement Designation: Meets Cal-GETC-5A or 5C

Enrollment Requirement: Prerequisites: Completion of MATH 125 with a grade of C or better.

Advisory: CHEM 065

This is the first semester of a one-year course in general chemistry intended for majors in the natural sciences, (chemistry, biochemistry, biology, nutrition, physics, pre-medicine), mathematics and engineering. Topics presented in this course include chemical nomenclature, atomic structure, quantum theory, bonding theories and molecular geometries, chemical equations, oxidation-reduction, stoichiometry, thermochemistry, solid, liquid and gaseous states and related forces, gas laws, solutions and colligative properties, periodic relationships, and acid-base theories. Lab work involves both qualitative and quantitative analysis.

CHEM 211-Organic Chemistry For Science Majors I (UC/CSU) - 5 Units

Requirement Designation: Meets Cal-GETC-5A or 5C

Enrollment Requirement: Completion of CHEM 102 with a grade of C or better.

This course is the first part of a two semester organic chemistry course sequence. Students are introduced to organic molecular structures, bonding, nomenclature including conformational analysis, potential energy plots, hybridization, stereochemistry and functional group chemistry, with emphasis on reactions and reaction mechanisms. It also includes the applications of instrumental methods in functional group analysis and identification of molecular structures. In the laboratory students learn the essential skills and techniques of preparation, isolation, purification, and analysis of organic compounds by employing standard and modern instrumental methods. This course also emphasizes the use and interpretation of Nuclear Magnetic Resonance (NMR), Infrared (IR) Spectroscopy and Gas Chromatography (GC) in the analysis and identification of organic compounds. This course is part of the transfer sequence for careers in the physical, biological, and health sciences and a requirement for the Associate of Sciences degree in Chemistry.

CHICANO 031-The Central American Experience (UC/CSU) - 3 Units

Requirement Designation: Meets Cal-GETC-4 or 6

This course introduces the Central American experience in the United States with emphasis on the transnational connections between the countries of origin and the communities of residence in the United States. Students learn about the conditions in Central America that lead to emigration to the United States. Additionally the course investigates specific challenges faced by Central American migrants on their journeys to the United States. The course also examines support networks established in the United States to help these communities adapt to their new homeland.

CHILD DEVELOPMENT

CH DEV 001-Child Growth And Development (UC/CSU) - 3 Units

Requirement Designation: Meets Cal-GETC-4

Students examine the major physical, psychosocial, and cognitive/language developmental milestones for children, both typical and atypical, from conception through adolescence. There is an emphasis on interactions between maturational processes and environmental factors. While studying developmental theory and investigative research methodologies, students will observe children, evaluate individual differences and analyze characteristics of development at various stages.

CH DEV 022-Practicum In Child Development I (CSU) - 4 Units

Enrollment Requirement: Prerequisite: Completion of CH DEV 001, 002, 007 and 011 with grades of C or better. If you have previously completed CH DEV 004 at LAHC, please see a Counselor. Health Exam and TB Test.

Students are assigned to an approved Early Care and Education program to practice and demonstrate developmentally appropriate early childhood program planning and teaching competencies under the

supervision of an ECD/CD faculty and other qualified early education professionals. Students utilize practical classroom experiences to make connections between theory and practice, develop professional behaviors, and build a comprehensive understanding of children and families. Child centered, play-oriented approaches to teaching, learning, assessment, and knowledge of curriculum content areas is emphasized as student teachers design, implement and evaluate experiences that promote positive development and learning.

ENGLISH 127-Creative Writing (UC/CSU) - 3 Units

Enrollment Requirement: Prerequisite: Completion of ENGL C1000 (formerly ENGLISH 101) or ENGLISH 101X or ENGLISH 101Y or ENGLISH 101Z or E.S.L. 110 with a grade of C or better.

This course focuses on writing, reading, discussing, and interpreting student creative writing and the writing of literary masters. It is designed to promote creative expression and increase understanding and appreciation of the craft and pleasures of creative writing. The course covers the genres of poetry, fiction, writing for performance (drama, film, performance art), and creative non-fiction.

ENGLISH 203-World Literature I (UC/CSU) - 3 Units

Requirement Designation: Meets Cal-GETC-3B

Enrollment Requirement: Prerequisite: Completion of ENGL C1000 (formerly ENGLISH 101) or ENGLISH 101X or ENGLISH 101Y or ENGLISH 101Z or E.S.L. 110 with a grade of C or better.

In this course, students read key works and ideas of the Western world, the Middle East, Africa, and Asia from antiquity to the seventeenth century. The course requires students to compare readings from different countries and to analyze poetic forms and literary themes significant to the cultural and social mores of the respective literary works.

English Second Language - NC

ESL NC 061CE-English As A Second Language I (Repeatable) - 0 Unit

This multi-skilled competency-based ESL course teaches beginning English speaking, listening, reading and writing skills to non-native speakers of English. The focus of instruction is on the speaking and understanding necessary to satisfy routine social demands and limited work requirements. Students learn to comprehend frequently used words in context, use learned phrases and sentences to communicate needs, understand basic grammar structures, and read simplified material.

HUMANITIES

HUMAN 001-Cultural Patterns of Western Civilization (UC/CSU) - 3 Units

Requirement Designation: Meets Cal-GETC-3B

This course introduces the general concepts of the Humanities in the framework of the predominant cultural patterns of the Western tradition from the earliest civilizations, such as the Sumerians and the Egyptians, the classical heritage of Greece and Rome, the Medieval period, or Middle Ages, and possibly continuing through the Renaissance and the Reformation. Mythology, music, history, philosophy, painting, drama, sculpture and architecture are studied and compared in relation to their background, medium, organization and style. Emphasis is placed upon the awareness of cultural heritage, values and perspectives as revealed in the arts. Comparisons to relevant Asian, African and American cultures and art may also explored. Specifics may vary based on instructor.

KIN 045-Adapted Fitness (UC/CSU) - 1 Unit

Enrollment Requirement: KIN - Aerobics, Circuit Trng Course Family

This course is designed to meet the needs of students with a verified disability who require restricted or modified activities. Individualized exercise programs are performed by students with instruction emphasizing the basic elements of physical fitness and training principles.

| Class No | Component | Start/End Time | Days | Instructor | Room |
|----------|-----------|--------------------|------|------------|----------|
| 10722 | LAB | 12:05 pm - 1:30 pm | TTh | Silva, S N | PE/W 116 |

THIS CLASS WILL BE HELD IN-PERSON, ON LAHC CAMPUS. Instructor email: silvasn@lahc.edu

KIN 049-Adapted Cardiovascular Fitness (UC/CSU) - 1 Unit

Enrollment Requirement: KIN - Aerobics, Circuit Trng Course Family

Course is designed to meet the need of students with a verified disability who can benefit from individualized cardiovascular endurance training. Development of cardiovascular endurance through the use of bicycle ergometers, treadmills, hand cranks, and various other methods.

| Class No | Component | Start/End Time | Days | Instructor | Room |
|----------|-----------|-------------------|------|------------|----------|
| 13698 | LAB | 1:35 pm - 3:00 pm | TTh | Silva, S N | PE/W 116 |

THIS CLASS WILL BE HELD IN-PERSON, ON LAHC CAMPUS. Instructor email: silvasn@lahc.edu

KIN 217-1-Self Defense Skills I (UC/CSU) - 1 Unit

Enrollment Requirement: Maximum of 4 enrollments in the Martial Arts/Combatives family (KIN 215, 217, 315, 316, and 317).

Students learn self-defense and personal safety skills for men and women at an introductory level.

| Class No | Component | Start/End Time | Days | Instructor | Room |
|----------|-----------|-------------------|------|------------|----------|
| 10222 | LAB | 2:00 pm - 2:50 pm | TTh | Watson, B | PE/W 140 |

MANAGEMENT

MGMT 002-Organization And Management Theory (CSU) - 3 Units

Students will be introduced to the management and organization of businesses. Students will connect how the management of people and resources accomplishes organizational goals. Students will demonstrate their understanding of leading, planning and controlling, organization design, operations management, and decision making. Students will also provide examples of human resource management, managing change, individual and group behavior, motivating and rewarding employees, communicating and interpersonal skills, work teams, ethics, leadership and trust in various business case studies.

MARKETING

MARKET 001-Principles Of Selling (CSU) - 3 Units

This course covers the basic principles of selling including wholesale and specialty goods. Topics include the development of the fundamental principles of wholesale and specialty selling, including the development of the sales plan, securing customers, effective goods and service presentation, product analysis, handling objections, closing the sale, follow-up and service after the sale, and the skills needed for successful sales work.

MATHEMATICS

MATH 215-Mathematical Concepts for Teachers I (UC/CSU) - 3 Units

Enrollment Requirement: Intermediate Algebra or equivalent or higher, or placement into any transfer-level math/statistics

Math 215 is intended for those who plan to teach mathematics in elementary schools. The course covers systems of numeration, numbers, fundamental operations and their corresponding properties, integers, rational numbers, real numbers, and algorithms used in calculations.

MATH 216-Mathematical Concepts for Teachers II (UC/CSU) - 3 Units

Enrollment Requirement: Prerequisite: Completion of Math 215 with a grade of C or better or guided self-placement.

Math 216 is the second in the sequence intended for those who plan to teach elementary school mathematics. Topics include basic probability, introductory statistics, and introductory geometry including constructions, congruence and similarity, measurement, motion geometry, and tessellations.

| Class No | Component | Start/End Time | Days | Instructor | Room |

MATH 230-Mathematics For Liberal Arts Students (UC/CSU) - 3 Units

Requirement Designation: Meets Cal-GETC-2

Enrollment Requirement: Conditions of Enrollment: Intermediate Algebra, the equivalent or higher, completed at the secondary or post-secondary level; or by placing into any college-level math course.

Math 230 is an introduction to the spirit and style of mathematics and its pursuit as a human endeavor. Topics are chosen from a variety of mathematical fields including logic, set theory, systems of numeration, number theory, algebra, the metric system, geometry, mathematical systems, consumer mathematics, probability, statistics, graph theory, voting and apportionment which are intended to illustrate the nature of mathematical discovery, the utility of mathematical applications, and the beauty of geometrical design.

MATH 236-Calculus For Business And Social Science (UC/CSU) - 5 Units

Requirement Designation: Meets Cal-GETC-2

Enrollment Requirement: Conditions of Enrollment: Intermediate Algebra, the equivalent or higher, completed at the secondary or post-secondary level; or by placing into any college-level math course.

Math 236 consists of elementary differential and integral calculus of algebraic, exponential, and logarithmic functions, as well as partial derivatives and the method of Lagrange multipliers. Applications to business and the social sciences are emphasized.

MATH 240-Trigonometry (CSU) - 3 Units

Enrollment Requirement: Prerequisites: Intermediate Algebra, the equivalent or higher, completed at the secondary or post-secondary level; or by placing into any college-level math course or Programs requiring Math 240.

Math 240 centers on a study of trigonometry. Students will explore the sine, cosine, and tangent functions, including a study of their graphs, inverses of the functions, solution of triangles, models for periodic phenomena, identities, conditional equations, and polar coordinates. Students will also be introduced to the cotangent, secant, and cosecant functions.

MATH 260-Precalculus (UC/CSU) - 5 Units

Requirement Designation: Meets Cal-GETC-2

Enrollment Requirement: Prerequisite: Intermediate Algebra, the equivalent or higher, completed at the secondary or post-secondary level; or by placing into the MATH 260 course or Programs Requiring Math 260.

This course combines college algebra, trigonometry, and introduction to analytic-geometry. Topics in algebra include polynomial, rational, exponential and logarithmic functions, mathematical induction, systems of equations, matrices, partial fractions, and sequences. Topics in trigonometry include basic trigonometric functions; inverse trigonometry; and trigonometric equations and identities.

MATH 265S-Calculus With Analytic Geometry I with Support (UC/CSU) - 5 Units*Requirement Designation: Meets Cal-GETC-2*

Enrollment Requirement: Prerequisites: Completion of MATH 240 and 260 with grades of C or better. OR by Placement in MATH 265. Business majors are urged to take MATH 236 instead of MATH 260 and 265 unless they plan to take additional calculus courses.

The first course in differential and integral Calculus of a single variable. Topics include algebraic and transcendental functions; limits and continuity; techniques and applications of differentiation and integration; curve sketching and Fundamental Theorem of Calculus. Primarily for Science, Technology, Engineering & Math majors. Additional support included. This course contains the same content and satisfies the same requirements as MATH 265, but includes a review of concepts in trigonometry and pre-calculus.

MATH 270-Linear Algebra (UC/CSU) - 3 Units

Requirement Designation: Meets Cal-GETC-2

Enrollment Requirement: Prerequisite: Completion of MATH 266 with a grade of C or better.

Math 270 develops the techniques and theory needed to solve and classify systems of linear equations. Solution techniques include row operations, Gaussian elimination, and matrix algebra. Investigates the properties of vectors in two and three dimensions, leading to the notion of an abstract vector space. Vector space and matrix theory are presented including topics such as inner products, norms, orthogonality, eigenvalues, eigenspaces, linear transformations, and diagonalization. Selected applications of linear algebra are included.

MICROBIOLOGY

MICRO 020-General Microbiology (UC/CSU) - 4 Units

Requirement Designation: Meets Cal-GETC-5B or 5C

Enrollment Requirement: Prerequisite: Completion of CHEM 051 or CHEM 065 or CHEM 101 or one year of high school Chemistry with a grade of C or better.

This course examines microbiological principles related to the morphology, metabolism and genetics of bacteria and distinguishing characteristics of viruses, protozoa, fungi, and multicellular parasites, with applications to human disease and immunology. The labs include microscopy, aseptic technique in the handling of bacteria, and isolation, cultivation, staining, identification, and control of bacterial populations. It is intended principally for allied health majors with 3 hours of lab each week.

MUSIC

MUSIC 100-Music in Society (UC/CSU) - 3 Units

Requirement Designation: Meets Cal-GETC-3A or 3B or 4

A study of the roles music plays in society. Students use the scientific method to examine music from a variety of geographic, ethnic, cultural and historical perspectives. Students are encouraged to contribute topics of interest and conduct research on those topics.

NURSING 313-Introduction To Nursing Practice (CSU) - 4 Units

Enrollment Requirement: Advisory: Must meet MATH competency before enrolling in the nursing program. Must be accepted into the Nursing Program.

This course is an introduction to nursing and will prepare the student to obtain the knowledge, skills, and attitudes to provide care to the hospitalized patient, with a focus on the adult and the mature (gerontologic) patient. It includes an introduction to the hospital environment and standard precautions; use of the simulation lab; basic nursing procedures; and utilization of the nursing process in performance of beginning level assessment and interventions for the following needs according to the Roy Adaptation Model and referred to as the Physiological Modes, Oxygen Needs, Rest & Activity Needs, Nutrition Needs, and Fluid & Electrolyte + Acid-Base Balance Needs. This is the first clinical course of the Associate Degree Registered Nursing Program. After satisfactory completion of the course, the student can function at the beginning nurse aide level.

NURSING 339-Nursing Proc & Practice In The Care Of The Geriatric Client (CSU) - 2 Units

This course focuses on the Geriatric patient and issues relevant to their care and integrates content of the Roy Adaptation Model and the Nursing Process. This course expands concepts, principles, knowledge, and skills learned in previous nursing courses. It emphasizes psychosocial, physiological, environmental and ethical concepts and issues that impact nursing care services for older adults in various care settings, e.g. long term care (LTC), adult day care (ADC), assisted living and Home Health Agencies. The course consists of four units: Unit I: Introduction to Home Health/Hospice (Self Teaching Module) and Community Care; Unit II: Demographics and Aging; Components of the Geriatric Assessment ; and Challenges of Aging and the Cornerstone of Excellence in Nursing Care, Unit III: Nursing concepts in the care of the geriatric patient with common exemplars affecting the geriatric patient: Nutrition; Mood/Affect and Cognition; Skin integrity/ Skin impairment; Immunity, Functional Ability & Mobility; Gas Exchange/Oxygenation; Elimination; Sensory

Perception; Sexuality. Nursing Care of common Physiologic and Psychologic exemplars affecting the geriatric patient, and Unit VI: Long Term Care. Clinical experiences will be comprised of traditional instructor supervised learning in long term care facilities and service learning assignments in a variety of community agencies for the elderly.

NURSING 347-Leadership And Management (CSU) - 3 Units

This course is designed to provide the senior nursing student with a knowledge and practice base so that the student will be able to utilize principles, concepts and experiences in leadership and management of patient care needs during the final clinical experience of the ADN nursing program. This course includes historical perspectives, current issues, and legal, ethical, professional, and practice factors important to nursing. Leadership, management, and communication factors pertinent to patient care are discussed.

Depending on availability of experiences and preceptors, students' laboratory assignments will be individually arranged by clinical instructor. No grade will be given until both lecture and lab are completed.

To complete the program, lecture grade must be a 'C' or better plus a satisfactory grade in the lab.

NURSING 364-Pharmacology (CSU) - 3 Units

Enrollment Requirement: Prerequisites: Completion of ANATOMY 001 and PHYSIOL 001 with grades of C or better.

This course is open to pre-nursing majors, nursing students and those interested in developing an understanding of basic pharmacology and the standards, policies, and regulations involved in medication administration. A brief review of the math concepts involved in the calculations of dosages is included. The course focus is on drug classifications, pharmacodynamics, chemical interactions, toxicology and the use of the nursing process in medication administration.

Nursing-Health Care Ancillar

NRS-HCA 399A-Nurse Assistant Training Program (CSU) - 6 Units

This course will provide students with an introduction to the health care field, working with residents/patients in the long term care facility and the acute care setting. Emphasis will be given to safety principles, infection control, methods for providing physical care, and emotional and social support. Upon successful completion of this course, students will be eligible to take the American Red Cross Nurse Assistant Certification Exam.

PHYSICS

PHYSICS 006-General Physics I (UC/CSU) - 4 Units

Requirement Designation: Meets Cal-GETC-5A or 5C

Enrollment Requirement: Prerequisite or Corequisite: MATH 240

This is the first course of a two semester sequence and considers the fundamental principles and applications of classical mechanics, gravitation, thermodynamics, fluids, periodic motion and waves at the algebra/trigonometry level of mathematical sophistication. The laboratory includes both quantitative and qualitative experiments which permit students to verify, illustrate, and deduce various laws of physics.

| Class No | Component | Start/End Time | Days | Instructor | Room |

PHYSICS 011-Introductory Physics (UC/CSU) - 4 Units

Requirement Designation: Meets Cal-GETC-5A or 5C

Enrollment Requirement: Prerequisite: Intermediate algebra, the equivalent or higher, completed at the secondary or post-secondary level

This is an introductory course that covers the wide range of topics included in a basic physics course such as kinematics of one- and two-dimensional motion, circular motion, Newton's laws, work and energy, thermodynamics, wave motion, oscillation, optics, electricity and magnetism, and nuclear and atomic Physics. Students analyze conceptual questions as well as solve quantitative problems using Algebra.

PHYSICS 038-Physics For Engineers And Scientists II (UC/CSU) - 5 Units

Requirement Designation: Meets Cal-GETC-5A or 5C

Enrollment Requirement: Prerequisite: Completion of PHYSICS 037 and MATH 266 with grades of C or better OR Prerequisite: Physics 037 and Corequisite: Math 266

Physics 38 is the second course of a three semester calculus-based sequence in introductory college Physics. This course will explore the topics of electric charge, electric fields, electric current, DC circuits, magnetism, electromagnetic induction, electromagnetic oscillations, AC circuits, and Maxwell's Equations at the calculus level.

PSYCHOLOGY

PSYCH 002-Biological Psychology (UC/CSU) - 3 Units

Requirement Designation: Meets Cal-GETC-5B

Enrollment Requirement: Prerequisite: Completion of PSYC C1000 (formerly Psych 001) with a grade of C or better.

This course introduces the scientific study of the biological bases of behavior and its fundamental role in the neurosciences. Physiological, hormonal, and neurochemical mechanisms, and brain-behavior relationships underlying the psychological phenomena of sensation, perception, regulatory processes, emotion, learning, memory, and psychological disorders will be addressed. The course also notes historical scientific contributions and current research principles for studying brain-behavior relationships and mental processes. Ethical standards for human and animal research are discussed in the context of both invasive and non-invasive experimental research.

PSYCH 010-Behavioral Research Methods (UC/CSU) - 4 Units

Enrollment Requirement: Prerequisite: Completion of PSYC C1000 (formerly PSYCH 001); and STAT C1000 (formerly MATH 227) or STAT C1000E (formerly MATH 227S) or STAT 001 or STAT 001S with a grade of C or better. Advisory: ENGL C1000 (formerly ENGLISH 101)

This course is an introduction to research design and statistical analysis for the behavioral sciences with a focus on the application of the philosophy of science and the scientific method. Students learn to design and conduct research, analyze data using descriptive and inferential statistics, and report results using the American Psychological Association format. The lab component of this course exposes students to the challenges and skills involved in actively participating on a research team while conducting their own independent research projects.

PSYCH 014-Abnormal Psychology (UC/CSU) - 3 Units

Requirement Designation: Meets Cal-GETC-4

Enrollment Requirement: Prerequisite: Completion of PSYC C1000 (formerly PSYCH 001) with a grade of C or better.

This course introduces the scientific study of psychopathology and atypical behaviors, broadly defined. Students investigate abnormal behavior from a variety of perspectives including biological, psychological, and sociocultural approaches. An integrative survey of theory and research in abnormal behavior, and intervention and prevention strategies for psychological disorders are also introduced.

PSYCH 041-Life-Span Psychology: From Infancy To Old Age (UC/CSU) - 3 Units

Requirement Designation: Meets Cal-GETC-4

Enrollment Requirement: Prerequisite: Completion of PSYC C1000 (formerly PSYCH 001) with a grade of C or better.

This course provides an overview, from a psychological perspective, of human development from conception through death, including biological and environmental influences. Theories and research of physical, cognitive, personality, and social development are examined, as well as attention to developmental problems.

SPANISH

SPANISH 001-Elementary Spanish I (UC/CSU) - 5 Units

Requirement Designation: Meets IGETC 6A; CSU C2

An introductory course for students who have had little or no oral or written knowledge of Spanish. Students develop listening, speaking, reading, and writing skills in communicative contexts that are focused on the cultures of the Spanish-speaking world. Upon successful completion of this course students are able to understand and engage in simple conversations on familiar topics. Conducted primarily in Spanish.

SPANISH 002-Elementary Spanish II (UC/CSU) - 5 Units

Requirement Designation: Meets Cal-GETC-3B

Enrollment Requirement: Prerequisite: Completion of SPANISH 001 or SPANISH 022 or two years of High School Spanish with a grade of C or better.

Students continue to practice authentic language in communicative contexts and increase their listening, speaking, reading, and writing proficiency. Upon successful completion of this course students are able to describe and narrate past real-life events, give commands and recommendations, talk about health issues, understand more complex conversations and readings, and write with more accuracy and detail. Students expand their awareness of the cultural diversity of the Spanish-speaking world. Credit is given for 2 or Spanish 35, but not for both. Prerequisite: Spanish 1 with a "C" or better, or language proficiency equivalent to two years of high-school Spanish.

SPANISH 035-Spanish For Spanish Speakers I (UC/CSU) - 5 Units

Requirement Designation: Meets Cal-GETC-3B

Enrollment Requirement: Other Limitations on Enrollment: Students should be native Spanish speakers with the ability equivalent of SPANISH 002 or equivalent or pass a Placement Exam. This course is intended for Spanish speakers who have grown speaking Spanish but have not formally studied it in an academic setting. Students are introduced to Spanish grammar and spelling rules with a focus on reading and writing skills and vocabulary expansion. Students practice the four language skills in the context of the geography, customs, and cultures of the Spanish-speaking countries and of the Latino experience in the United States. No prerequisites. Credit is given for either Spanish 35 or Spanish 2, but not both.

STATISTICS

STAT 001-Elementary Statistics I For The Social Sciences (UC/CSU) - 3 Units

Requirement Designation: Meets Cal-GETC-2

Enrollment Requirement: Intermediate Algebra, the equivalent or higher, completed at the secondary or post-secondary level; or by placing into any college-level math course.

Introduces fundamental tools of quantitative methods in research: the use of probability techniques, hypothesis testing, and predictive techniques to facilitate decision-making. Topics in this course include descriptive statistics; probability and sampling distributions; statistical inference; correlation and linear regression; analysis of variance, chi-square and t-tests; and application of technology for statistical analysis including the interpretation of the relevance of the statistical findings. Applications using data from disciplines including business, social sciences, psychology, life science, health science, and education.

STAT 101-Statistics For The Social Sciences (UC/CSU) - 4 Units

Requirement Designation: Meets Cal-GETC-2

Enrollment Requirement: Intermediate Algebra, the equivalent or higher, completed at the secondary or post-secondary level; or by placing into any college-level math course.

This course focuses on data collection, hypothesis testing and predictive techniques to facilitate decision-making. Topics include descriptive statistics; probability and sampling distributions; statistical inference; correlation and linear regression; analysis of variance, chi-square and t-tests; and application of technology for statistical analysis including the interpretation of the relevance of the statistical findings. Applications using data from disciplines including business, social sciences, psychology, life science, health science, and education.

STAT C1000-Introduction to Statistics (UC/CSU) - 4 Units

Requirement Designation: Meets Cal-GETC-2

Enrollment Requirement: Conditions of Enrollment: Intermediate Algebra, the equivalent or higher, completed at the secondary or post-secondary level; or by placing into any college-level math course.

This course is an introduction to statistical thinking and processes, including methods and concepts for discovery and decision-making using data. Topics include descriptive statistics; probability and sampling distributions; statistical inference; correlation and linear regression; analysis of variance, chi-squared, and t-tests; and application of technology for statistical analysis including the interpretation of the relevance of the statistical findings. Students apply methods and processes to applications using data from a broad range of disciplines.

THEATER**THEATER 100-Introduction to the Theater (UC/CSU) - 3 Units***Requirement Designation: Meets Cal-GETC-3A*

Students will survey and appreciate the art of theatre. The students are provided a wider basis for both evaluation and enjoyment of the theatrical experience. Students examine all elements of live theatre, its cultural and historical background, the contributions of various theatre artists, and its overall purpose and influence within our society. Students explore all aspects of play production: playwriting, directing, acting, criticism, theatre architecture, set design, costume design, lighting design, and the role of the audience.

ACADEMIC INFORMATION

Honors Transfer Program

The Honors Transfer Program (HTP) is a cooperative effort between Los Angeles Harbor College and partner colleges and universities. HTP's mission is to prepare students for the academic, social and psychological rigors of the university environment. HTP provides a challenging curriculum designed to prepare students for transfer. The HTP offers support and services that provide students with the supplemental experiences and preparation necessary for the university transfer process. By completing the requirements of the program, HTP students can receive priority admissions consideration with most local, and many national, public and private colleges and universities. HTP students achieve Junior academic status at their transfer institution and may be considered for Honors-to-Honors admissions. In 2018, HTP students achieved an 80% acceptance rate to UCLA. Visit the HTP website at <https://www.lahc.edu/honors/> or email LAHC-Honors@laccd.edu for more information or a list of participating transfer colleges and universities.

Instructional Materials

Students may be required to provide instructional and other materials required for a credit or noncredit course. Such materials shall be of continuing value to a student outside of the classroom setting and shall not be solely or exclusively available from the District.

Library+Learning Resource Center

The Library+Learning Resource Center (LLRC) houses the Library, the Learning Resource Center, and other programs. The services within the LLRC building are open per posted schedules.

Library

The LAHC Library provides access to a collection of over 95,000 books (print and e-books), periodicals, newspapers, reference materials and online databases that support the college curriculum and our students' pursuit of educational goals. Students should consider the library their first source when researching topics for papers or class projects.

A librarian is always available to assist with basic questions and research and to offer instruction in library use and literature searching.

Currently enrolled students may conduct their online searching in the computer commons. Wireless connectivity is available by logging in. Students can also use the online databases from off-campus by logging in with their student login. Instructors may request an information workshop to prepare students for special assignments. Materials are placed in the Reserve Section at the Circulation Desk when they are needed for class assignments or are otherwise in demand. These materials may have restricted loan periods.

There are nine group study rooms that may be reserved and used for collaborative group study. Photocopiers and printers are available and tables and study booths are located throughout the building. A current college ID card is required to check out library materials and to use the study rooms.

Learning Resource Center

The Learning Resource Center, (310) 233-4149, is located on the 1st floor of the Library+Learning Resource Center (LLRC) and provides the following support services:

Tutoring

- The Learning Resource Center is located on the 1st floor of the Library+Learning Resource Center (LLRC) and provides the following support services to currently enrolled students
- In person and online tutoring sessions in subject specific areas such as Anatomy, Economics, Chemistry, Physics, and Physiology. Subjects vary from semester to semester and may be added based on student request and budget availability.

- Tutoring for students enrolled in Special Programs and Services in the High Tech Center Lab (M-Th).

Support Courses with no fees and no units of credit.

- Tutoring students should enroll in the TUTOR 001T (0 unit) - Supervised Tutoring course.

Additional Support for Courses

- Basic Skills 006CE (Review of Basic English; free non-credit class) through the Writing Lab.
- Developmental Communications 37 through the Reading (Literacy Center) Lab.
- Computer access available in the Computer Commons and in the tutoring labs.
- Printing is available through a pay-to-print service.

Contacts:

LRC Subject Specific - (310) 233-4149

High Tech Center - (310) 233-4393

Math Lab - (310) 233-4498

Reading (Literacy) Lab - (310) 233-4238

Writing Lab - (310) 233-4238

Math Lab

The Math Lab supports the Math Department by providing free one-on-one or small group math tutoring to all current students. Trained tutors are available throughout the day for students enrolled in math courses ranging from Algebra to Differential Equations. Students may study individually or in small groups and have questions answered on an individual or group basis. Computers are available to access online materials and complete online assignments.

Writing Lab

LAHC's Writing Lab offers free one-on-one writing consultations to all current students. Trained tutors serve students from all disciplines at all stages of their writing process.

STEM Office

STEM STEP is a prescribed, accelerated (two-year) pathway at LAHC for full-time students committed to completing, transferring, and succeeding in STEM. The goal of STEM STEP is to increase the number of Hispanic and low-income students who attain degrees in STEM fields. LAHC College faculty, counselors and staff are devoted to assisting and supporting STEM students reach their potential by creating unique career, educational, scholarship and transfer opportunities.

Transfer Center

The Transfer Center is a part of the Counseling Division. The Transfer Center's mission is to foster a transfer culture by providing resources and counseling services to support students in achieving their transfer goals. Students utilize the Transfer Center to prepare for admission to CSU, UC, private and out-of-state universities. The faculty and staff offer workshops, classroom presentations, counseling appointments, and drop-in counseling. The Transfer Center hosts university admission representative appointments, field trips, Transfer Fair, Transfer Con (student conference), and a culminating Transfer Recognition Ceremony. The Transfer Center is located in the Student Services and Administration (SSA) building, Office #105 and welcomes all students to come in for assistance and support.

Adult & Basic Skills Education Programs/Non-Credit Program

Noncredit classes offered through Los Angeles Harbor College are career pathways that will lead to employability, job placement, academic skills, and transition to credit courses. All of our Noncredit classes are FREE.

ADMISSION & REGISTRATION

Admission Eligibility

You are eligible to attend Harbor College if you meet any of the following criteria:

- You have graduated from high school or have successfully passed the California High School Proficiency Examination.
- You are over 18 years of age and are no longer attending high school and are capable of benefiting from the instruction offered.
- You are under 18 years of age and not a high school student, with special permission as a full-time student. Students under 18 and not in school are considered special permission students and are ineligible for aid.
- To apply please go to www.lahc.edu. If you are planning on taking credit classes, please select the College Credit Application. If you are only planning on taking non-credit courses please select the Non Credit Application.

Important Message: Identity Authentication Required

Authenticating your identity is important to the colleges of the Los Angeles Community College District (LACCD). This allows the LACCD to confirm your identity and helps to prevent identity theft and fraud. As part of the admissions process new and some returning students will be required to complete an identity authentication process before they can enroll in classes.

Identity authentication can be done in one of the two ways:

Option 1: Complete authentication utilizing ID.Me when requested by the application system

Further information related to ID.Me can be found at the following website: <https://help.id.me/hc/en-us/articles/18679432930711-California-Community-Colleges-and-ID-me>

Option 2: Real-time/Live Authentication Options

After submitting an application, you must meet with a college employee either in-person or virtually during a brief Zoom or Cranium Café meeting. Failure to provide picture identification when completing the authentication process in a timely manner will limit your ability to register for classes and may impact the awarding of any financial aid. If you do not have a valid identity document, please [contact the Admission and Records Office](#) for assistance.

Government-issued photo Identification Documents accepted:

| | | |
|---|--|---|
| State-issued Driver's License | United States Military Identification Card | Tribal Identification Card |
| State-issue Identification Card | United States Certificate of Citizenship or Naturalization | K-12 student ID (currently enrolled or recent graduate) |
| United States Passport or Passport Card | Foreign Passport with a United States Visa | |
| United States Permanent Resident Card | Other International Government Identification | |

*LACCD has the right to request additional documentation.

After authentication is complete, the college staff will update your file to indicate your identity has been verified and you will be able to enroll in classes.

Concurrent Enrollment at Harbor College and High School

As a high school student, you may enroll concurrently at Harbor College by applying online. Before you are allowed to register for classes, you are required to submit a Special Student Attendance Approval Form using Dynamics Forms website to the Admissions & Records Office. The Special Student Attendance Approval Form must be signed electronically through the Dynamic Forms account. LAHC requires the original documents and signatures; faxed forms and copies are NOT acceptable. A new Special Student Attendance Approval Form is required every semester for all concurrent students. High school students are limited to 11 units per semester. If high school students enroll in more than the limited number of units, all classes will be charged.

International Students

Students who are not U.S. citizens but live outside of the United States and are interested in coming to the United States to study at Los Angeles Harbor College must apply directly through the Los Angeles Harbor College International Student Office. Application materials are available at the LAHC International Student website at <http://www.lahc.edu/studyinlosangeles/>. Students living outside of the U.S. who wish to take online classes while living outside the U.S. may file an online application (see Apply Online on the college home page www.lahc.edu).

Students are advised to apply 6-9 months in advance of the semester they wish to begin. Students will be considered for the semester following application processing.

Non-Resident Students

Fall Semester Apply: January through July before the start of term

Spring Semester Apply: May through December before the start of term

Procedures for Admission and Registration

- Apply online on the Harbor College home page at <http://www.laccd.edu>.
- Complete all required information on the online application.
- Provide all requested information on the application. The applicant must declare under penalty of perjury that all information on the application is correct. All information is subject to verification; falsification or withholding of information shall constitute grounds for dismissal.

Student ID Number

Every student will be assigned a student ID number when they apply. Providing a Social Security number is optional. It is only required for students applying for financial aid and/or who will be eligible for student tax credits.

ENROLLMENT PROCESS

New Students

1. Complete Application

To receive the earliest possible registration appointment, apply online at www.lahc.edu. International students must complete their admissions process through the International Students Office. Returning students can also apply online. Concurrent high school students must also bring a completed Concurrent Enrollment for Students in Grades K-12 form to the Admissions Office.

2. Financial Aid

Apply for financial aid online at www.fafsa.gov every year. The Free Application for Federal Student Aid (FAFSA) is available on January 1st of each year. We recommend that the FAFSA be completed and submitted before March 2nd each year to be considered in our priority application deadline. We still encourage students to apply after March 2nd, however funding for other financial aid programs are limited.

3. Assessment

Beginning Fall 2019, assessment testing will no longer be required for students to be placed into English and math courses. All students are eligible to enroll in transfer level English with varying levels of support recommended based on high school GPA, and educational goal.

Students are encouraged to log on to the student portal and look for course placement (English, Math, or ESL) in the Assessment placement section. New and returning students will be provided MMAP (multiple measures assessment placement) high school performance data when they complete their application to LAHC through CCCApply and should then refer to the student portal later to see course placement for English and math.

As of January 2020, LAHC uses a new ESL assessment process known as ESL Guided Self-Placement. English Learners who would like to enroll in credit ESL courses are invited to participate in this new process. To schedule a meeting, email ESL faculty Andrea Cano at canoac@lahc.edu or call 310-233-4221 or visit her in NEA 269.

4. Orientation

Orientation is provided by the Student Services Resources Center.

5. Counseling

Make an appointment well in advance of registration. Ask about degree and major requirements. Visit the Transfer Center.

6. Registration

Enroll in classes online at www.lahc.edu. You will be enrolled in the classes of your choice or placed on a waiting list if the class is full and waiting list space is available. Write down and save your confirmation numbers. You can print your semester schedule on the LAHC website student information system.

7. Payment

Payment is due when you register. You may pay with cash, check, or credit card in the Business/Cashier Office. You may pay online by using a credit card.

8. Student ID Card

Visit the Student Activities office on the 2nd Floor of the Student Union building to take a picture and pick up your student ID. Students must show a photo ID and proof of current enrollment to receive your student ID.

Continuing Students

You are a continuing student if you were active in classes during either the previous Fall or Spring semester.

1. Registration Materials

Continuing students will receive an email with their priority online registration appointments for registration during the month before finals. Your priority registration appointment is also available on the LAHC website student information system.

2. Financial Aid

Apply for financial aid online at www.fafsa.gov every year. The Free Application for Federal Student Aid (FAFSA) is available on October 1st of each year. We recommend that the FAFSA be completed and submitted before March 2nd each year to be considered in our priority application deadline. If students apply after March 2nd, we still encourage students to apply, however funding for other financial aid programs are limited.

Under Assembly Bill 540, "Any student, except a person in nonimmigrant status, who meets the specific requirements shall be exempt from paying non-resident tuition at all public colleges and universities in California." The California Dream Act (AB 131) allows students who meet AB 540 criteria to apply for and receive State institutional grants through the CA Dream Act application. The California Dream Act application can be found at <https://dream.csac.ca.gov>. If students apply after March 2nd, we still encourage students to apply, however funding for other financial aid programs are limited.

3. Assessment/Prerequisites

Beginning Fall 2019, assessment testing will no longer be required for students to be placed into English and math courses. All students are eligible to enroll in transfer level English with varying levels of support recommended based on high school GPA, and educational goal.

Students are encouraged to log on to the student portal and look for course placement (English, Math, or ESL) in the Assessment placement section. New and returning students will be provided MMAP (multiple measures assessment placement) high school performance data when they complete their application to LAHC through CCCApply and should then refer to the student portal later to see course placement for English and math.

As of January 2020, LAHC uses a new ESL assessment process known as ESL Guided Self-Placement. English Learners who would like to enroll in credit ESL courses are invited to participate in this new process. To schedule a meeting, email ESL faculty Andrea Cano at canoac@lahc.edu or call 310-233-4221 or visit her in NEA 269.

4. Counseling

Make an appointment well in advance of registration. Ask about degree and major requirements. Visit the Transfer Center.

5. Registration

Use your priority registration appointment to register by Internet. Write down and save your confirmation numbers.

6. Payment

Payments are due when you register. You may pay with cash, check, or credit card in the Business/Cashier's Office. You may pay online by using a credit card. A hold will be placed on your record if you do not pay when you register.

IMPORTANT MESSAGE TO ALL APPLICANTS:

Please make sure you submit a valid email address. You will receive a confirmation email once your online application has been submitted. You will receive your student ID number and registration appointment by email in five to ten business days. If you do not receive the emails in your email inbox, please check your spam/junk mail folder.

ENROLLMENT FEES

For California residents, the fee for community college attendance is \$46.00 per unit per semester. There is a mandatory \$2.00 Student Representation fee, a mandatory \$11.00 Health fee (Fall and Spring) and a mandatory \$8.00 Health fee (Winter and Summer) per semester. Non-resident fees are listed at the end of this section. Additional optional fees include a parking fee of \$20.00; Membership in the Associated Student Organization is \$10.00 (Fall and Spring) and \$5.00 (Winter and Summer).

Students admitted as “Special Part time Students Grades K-12” and enrolling in 11 or fewer units are exempt from enrollment fees charged for all terms (including summer) pursuant to Education Code section 76300.

Fees are correct as of the date of printing the catalog. Changes may be made by the state legislature or the LACCD Board of Trustees any time prior to the start of each semester’s classes.

If at the time of enrollment you are receiving benefits under the Aid to Families with Dependent Children program, the Supplemental Security Income/State Supplementary program, or the General Assistance Program, the enrollment fee may be waived. For information on the procedure for requesting a waiver, contact the Financial Aid Office prior to the date of your enrollment. Financial aid may be available to students who meet the qualification. Students with questions concerning financial aid eligibility should contact the college financial aid office at (310) 233-4320 or SSA 114. Applications should be submitted as soon as possible.

The Los Angeles Community College District policy exempts the following students from paying the student health fee:

- a. Students who depend exclusively on prayer for healing in accordance with the teaching of a bonafide religious sect,
- b. Students who are attending classes under an approved apprenticeship training program, non-credit education students,
- c. Students enrolled in District colleges exclusively at sites where student health services are not provided,
- d. Students who are enrolled in District colleges exclusively through Instructional Television or distance education classes,
- e. Students who are enrolled in District colleges exclusively through contract education.

Students exempted under the provisions of (b) and (c) above are eligible to receive the services of the college health program; all other exempted students are not eligible to receive the services of the college health program.

Enrollment Fee Assistance

To learn about enrollment fee assistance, go to the Financial Aid section of the catalog or visit the website at <http://lahc.edu/student services/financialaid/index.html>.

FINANCIAL AID

The mission of student financial aid is to provide access to post-secondary education to those individuals who otherwise without such aid, would be unable to attend college. Through grants, scholarships, part-time employment and loans the college provides monetary assistance to students in order to help them meet the basic cost of their education. The amount and type of aid offered to each student is determined by federal and state regulation and by college policy. The premise for the determination of the type and amount of aid awarded is the belief that the primary responsibility of financing an education lies with the student and their family.

Student financial assistance is not a supplement to the student's income for meeting their normal living expenses, but is available to help the student offset the additional expenses incurred directly by their education. Most financial aid awards are based on demonstrated financial need, which is the difference between the cost of attendance and the expected family contribution. Parents' or student's contribution is determined from the information reported on the FAFSA (Free Application for Federal Student Aid). Documentation of income such as a Federal Income Tax Return or verification from agencies providing non-taxable income to the family may be required.

To be considered for financial aid, a student must meet the following minimum requirements:

- Be a U.S. citizen or an eligible non-citizen. An eligible non-citizen is a U.S. permanent resident who has documentation from the Immigration and Naturalization Service verifying that their stay in the U.S. is for other than a temporary purpose.
- Demonstrate financial need.
- Be making satisfactory progress in a course of study leading to an AA or AS degree, certificate, or transfer to a baccalaureate degree program.
- Not be in default on a Perkins Loan (formerly National Direct Student Loan), Stafford Loan (formerly Guaranteed Student Loan), or Supplemental Loan for Students (SLS) or Parents Loan for Undergraduate Students (PLUS) at any school the student attended.
- Must not owe a refund on a Pell Grant, Supplemental Educational Opportunity Grant (SEOG) or State Student Incentive Grant (SSIG) or Academic Competitiveness Grant (ACG) or SMART Grant.
- Be registered with the Selective Service if required to do so.
- Be enrolled as a regular student in an eligible program.
- Have a valid social security Number (SSN).
- Not be convicted of possessing or selling illegal drugs while enrolled and receiving federal financial aid from any college or university.
- Received a high school diploma or its equivalent, or passed a high school proficiency examination.

When to Apply

The best time to submit the Free Application for Federal Student Aid (FAFSA) is between October 1st and March 2nd prior to the start of the academic year (Fall semester).

FOLLOW THE TIMELINE BELOW:

| | |
|---------------------|--|
| January 1 - March 2 | FAFSA priority applications |
| March 2 | Deadline to apply for Cal Grant |
| May 1 | Priority deadline to submit required documents to the Financial Aid Office |
| September 2 | Extended competitive Cal Grant deadline for CA Community College students |

To be considered for Title IV Financial Aid, LAHC College Financial Aid Office must have on file a valid Institutional Student Information Report (ISIR) by the last day of enrollment for a term/semester or by Dec 160 of the award year, whichever is earlier. Check the financial aid website at www.lahc.edu/offices/financial_aid for deadlines.

How To Apply

To apply for Federal and State financial aid programs, complete and submit the Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov. The FAFSA is an all-inclusive application form that allows students to apply for all programs.

Verification Policy

Federal verification requirements apply to the following programs:

- Federal Pell Grant
- Iraq and Afghanistan Service Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Work-Study (FWS)
- Federal Direct Loan
- Cal Grant B and C
- California Chafee Grant
- Child Development Teacher Grant
- California National Guard Education Assistance Award Program (CNGEAAP)

If a student's application has been selected for verification by the federal processor, the student will be required to provide additional documentation with a specific deadline. Failure to meet this deadline will result in the denial of financial aid. For verification deadline dates, visit the Financial Aid Office website.

For the Federal Direct Loan Program, verification must be completed 20 working days prior to the last day of enrollment period to allow for loan processing time.

Students whose applications are selected for verification may be paid on any corrected valid SAR/ISIR that is received within 120 days after the student's last day of enrollment.

If an applicant does not complete verification by the established deadline, all federal financial aid is forfeited for the award year. The Financial Aid Office maintains the right to request additional information which may be required to process a student's application. Those may include but are not limited to:

- IRS Tax Transcript
- Verification of Untaxed Income
- Verification Worksheet
- Selective Service Certification
- Social Security Verification
- Permanent resident documents, if an eligible non-citizen

English As A Second Language (E.S.L)

Students taking only credit E.S.L classes must submit a Student Educational Plan to the Financial Aid Office within the first semester.

Audited Classes

Students cannot receive financial aid, including the CCPG, for enrollment in audited classes. No exceptions to this policy can be made.

Enrollment at Other LACCD Colleges

Consortium Agreements are in effect for all colleges within the Los Angeles Community College District. If you are attending more than one college within the District in the same academic period, payment will be based on all units taken. Students must maintain at least a one (1) approved unit level of enrollment at the Home/Primary campus (the college processing your financial aid) for the entire award period. For financial aid programs that are limited in funding, a six (6) approved unit minimum enrollment is required at the Home campus. Please note that if a student is in an extension appeal due to Satisfactory Academic Progress, the student must be enrolled in approved units, meaning classes listed in the student's comprehensive Student Educational Plan (SEP) that was submitted with an appeal to the Financial Aid Office. If students are enrolled in classes not listed in the student's SEP, the units will not be included in the calculation of approved units. For further information, please contact the Financial Aid Office or visit our financial aid website at https://effectiveness.lahc.edu/student_services/finaid/SitePages/Home.aspx.

Federal School Codes (for use on the FAFSA and California Dream Act applicants)

001222 East Los Angeles College (FAFSA)

001226 Los Angeles Pierce College

001223 Los Angeles City College

001227 Los Angeles Trade-Technical College

001224 Los Angeles Harbor College

001228 Los Angeles Valley College

012550 Los Angeles Mission College

008596 West Los Angeles College

Tax Benefit

Plan ahead – you may be able to take advantage of federal tax benefits for education. Most tax benefits have income limits; to learn more about each program, see IRS Publication 970, Tax Benefits for Education, available at www.irs.gov or by calling 1-800-829-3676. Also, be sure to consult a professional tax advisor.

American Opportunity Credit and Lifetime Learning Tax Credits allows students and the student's parents to subtract a portion of your college costs from the taxes owed each year when filing tax returns.

Tuition and fees tax deduction and student loan interest deduction allows students to subtract a portion of tuition and fees from taxable income and to deduct up to \$2,500 of the interest paid on a student loan each year (or on any student loans taken for a spouse's or child's education).

In addition, funds from an IRA, 529 college savings plan or Coverdell Education Savings Account may be withdrawn without a tax penalty to pay for qualified education expenses. There's also a tax break if certain U.S. savings bonds are used to pay for college. Students should consult a tax professional for further details or consult the following website: <http://www.irs.gov/pub/irs-pdf/p970.pdf>

Types of Financial Aid Available**State Financial Aid Grants**

To qualify for any of the state-funded grants, a student must be a California resident and be attending (or planning to attend) an eligible college in California.

Federal PELL Grant Program

The Federal PELL Grant Program is a federally funded program that provides assistance to undergraduate students who have not yet earned a baccalaureate or first professional degree and who demonstrate financial need. Awards are based on the student's Expected Family Contribution (EFC) and enrollment status. The EFC is calculated based on the information such as income and assets on the FAFSA.

Due to the Higher Education Opportunity Act (HEOA), students have a maximum lifetime PELL Grant eligibility of 600% (12 full-time semesters). Students may view their percentage of PELL Grant eligibility by logging into <https://studentaid.gov/understand-aid/types/grants/pell/calculate-eligibility>. The "Lifetime Eligibility Used" percentage will be displayed in the "Grants" section of the webpage.

To qualify for any of the state-funded grants, a student must be a California resident and be attending (or planning to attend) an eligible college in California.

Federal Supplemental Educational Opportunity Grant (FSEOG)

The FSEOG is a federal grant program designed to supplement other sources of financial aid for students with exceptional need. FSEOG awards are based on financial need and fund availability. There is a six (6) approved unit minimum enrollment requirement at the college. Since this is a limited funded program, priority will be awarded to students who are enrolled at least six (6) approved units at Harbor College. FSEOG awards range upward from \$100 to \$800 per year, depending on need and packaging policy.

Iraq and Afghanistan Service Grant

A student whose parent or guardian was a member of the U.S. Armed Forces and died as a result of service performed in Iraq or Afghanistan after September 11, 2001 may be eligible to receive the Iraq and Afghanistan Service Grant. Student eligibility requirements are:

- Must be ineligible for a Federal PELL Grant due only to having less financial need than is required to receive PELL funds, and
- Be under 24 years old, or
- Enrolled in college at least part-time at the time of the parent's or guardian's death.

Cal Grants

Students must meet the following eligibility requirements for the Cal Grant Programs:

- Be a U.S. citizen or permanent resident
- Have a valid Social Security Number (SSN)
- Be a California resident
- Be attending at least half-time at a qualifying California college
- Have financial need at the college of attendance
- Be making satisfactory academic progress as determined by the college
- Have not already earned a bachelor's or professional degree, or the equivalent.

California College Promise Grant (CCPG)

This program (formerly known as the Board of Governors (BOG) Fee Waiver Program) waives enrollment fees charged by the college. Since this is a waiver there is no actual disbursement of funds. If a student has already paid enrollment fees and wishes to receive a refund, an application for a refund may be filed at the college Business Office. This program waives enrollment fees and no other fees.

Students must submit a GPA Verification and FAFSA by the applicable deadlines to the California Student Aid Commission. GPA verification for students enrolled within the Los Angeles Community College District will be electronically sent to the Commission by the deadline date for those who meet specific criteria. Contact the Financial Aid Office to see if criteria are met and to have GPA electronically sent and for other possible options.

Types of Grants Available

Entitlement Grants

Cal Grant A – provides grant funds to help pay for tuition/fees at qualifying institutions offering baccalaureate degree programs. If you receive a Cal Grant A but choose to attend a CA Community College first, the award will be held in reserve for up to three years until you transfer to a four-year college.

Cal Grant B – provides subsistence payments for new recipients in the amount of \$1,670 for a full-time, full year award. Payments are reduced accordingly for three-quarter and half-time enrollment for each payment period. Cal Grant B recipients who transfer to a tuition/fee charging school after completing one or two years at a community college may have their grant increased to include tuition and fees as well as subsistence.

Cal Grant Transfer Entitlement Award is for eligible CA Community College students who are transferring to a four-year college and are under age 28 as of December 31 of the award year.

Competitive Grants

Cal Grant A and B awards are used for the same purpose as the A and B entitlement awards, except that they are not guaranteed and the number of awards is limited.

Cal Grant C recipients are selected based on financial need and vocational aptitude. Students must be enrolled in a vocational program at a California Community College, independent college, or vocational college, in a course of study lasting from four months to two years. Cal Grant C awards may not be used to pursue a four-year degree program, graduate study, or general education.

California Dream Act

Students who have been determined to be AB540 by the Admissions Office and are recent high school graduates may apply for the Entitlement Cal Grant Program by completing the California Dream Application at <https://dream.csac.ca.gov>. The deadline to apply for the Entitlement Cal Grant is March 2nd of every year.

AB540 students are not eligible for the Competitive Cal Grant.

For additional information and resources, contact the California Student Aid Commission at (888) 224-7268 or visit their website at www.csac.ca.gov/dream_act.asp.

On campus, students wanting assistance with the California Dream Act application may:

- visit the Dream Resource Center (DRC) located in the Student Union Room 205, or by email at LAHC-dreamers@lahc.edu or phone at (310) 233-4299. The DRC provides a variety of support and resources, including scholarship opportunities to AB 540 and DACA recipients, and all undocumented students at Harbor College. Services are confidential.
- visit the Student Services Resource Center located in Room SSA 118 or by phone at 310-233-2078.
- visit the Financial Aid Office located in SSA 116 or by phone at 310-233-4320. The financial aid email is lahcsff@lahc.edu.

Chafee Grant

The California Chafee Grant is a federal grant administered by the California Student Aid Commission and provides assistance to current or former foster youth to use for college courses or vocational school training. Eligible students may receive up to \$5,000 per academic year. To learn more about this program and to apply online, go to <https://chafee.csac.ca.gov/>.

Law Enforcement Personnel Dependents Grant Program (LEPD)

This grant program provides need-based educational grants to the dependents and spouses of California peace officers (Highway Patrol, Marshals, Sheriffs, Police Officers), Department of Corrections and California Youth Authority employees, and permanent/full-time fire-fighters employed by public entities who have been killed in the performance of duty or disabled as a result of an accident or injury caused by external violence or physical force incurred in the performance of duty.

For more information and application materials, write directly to: California Student Aid Commission, Specialized Programs, P.O. Box 419029, Rancho Cordova, CA 95741-9029 or call (888) 224-7268, Option #3.

Child Development Grant Program

This program is a need-based grant designed to encourage students to enter the field of child care and development in a licensed children's center. Students who plan to enroll at least half-time in coursework leading to a Child Development Permit as a teacher, master teacher, site supervisor, or program director, are eligible to apply through the college they plan to attend. For more information, go to www.csac.ca.gov or call (888) 224-7268 Option #3.

California National Guard Education Assistance Award Program (CNGEAAP)

This state-funded program designed to provide an educational incentive to improve skills, competencies, and abilities for up to 1,000 services members who remain active in the National Guard, the State Military Reserve, or the Naval Militia. This program authorizes the California Student Aid Commission to make payments to eligible program participants. Participants can receive up to the amount of the Cal Grant A award for attending the University of California or California State University, up to the Cal Grant B award for attending a community college, up to the University Cal Grant A amount for attending a non-public institution, or up to the Cal Grant A award plus \$500 for books and supplies for graduate students. To learn more about the program, visit the California Student Aid Commission website at www.csac.ca.gov.

Federal Student Loans

(AID THAT MUST BE PAID BACK)

CAUTION ABOUT STUDENT LOANS: It takes time for a loan application to be processed by the college, lender and/or the government. It may be several weeks after an application has been accepted in the Financial Aid Office before the student receives the loan funds. Student loan funds are delivered to the student after enrollment and satisfactory academic progress requirements have been verified. All loans require a minimum of six (6) approved units. Check with the Financial Aid Office to request information about student loans.

Los Angeles Harbor College participates in the following loan program:

Federal Direct Loan

The Federal Direct Loan Program is a low-interest loan program for students and parents to help pay for the cost of higher education. Loans are made by the federal government. The following are types of Direct Loans:

- Subsidized Loans - students must demonstrate financial need; no interest is charged while in school or attending college at least half-time.
- Unsubsidized Loans - this loan is not based on financial need; interest is charged during all periods.

To learn more about the federal student loan programs, visit the U.S. Department of Education website at www.studentloans.gov.

Part-time Employment

Federal Work-Study (FWS)

The FWS program enables students to earn part of their financial aid award through part-time employment either on or off campus. To be eligible, a student must meet the eligibility requirements for federal financial aid and must maintain a good academic standing while employed under the program. Students must be enrolled in a minimum of six (6) approved units at the home school to be considered for this program. Since this is a limited funded program, priority will be awarded to students who are enrolled at least six (6) approved units at Los Angeles Harbor College.

Scholarships

See Los Angeles Harbor College Scholarships for more information. Students can also go to https://effectiveness.lahc.edu/student_services/finaid/SitePages/Scholarships.aspx for a list of available scholarships.

Summer Financial Aid

Please contact the Financial Aid Office for more information and deadlines.

PARKING

Parking Areas

Well-lighted parking facilities are available on campus for over 1500 cars. Metered visitor parking is available on Figueroa Place. All California Vehicle Code rules and regulations are applicable at the College.

Student parking locations include:

Lot 5 south of the baseball field

Lot 6 east of the baseball field

Lot 7 south of the baseball field

Lot 8 west of the Drama-Speech Building

West Parking Structure, west of the Child Development Center

Disabled Student parking spaces are located in lots 4, 6, 7, & 8. Staff parking locations include: Lots 1, 2, 3, 4, 5, 6, 8, 9A, 10 and West Parking Structure.

Parking Fee

Campus parking is by permit only. Semester parking permits are purchased at the Business/Cashier's Office. The parking fee is \$20.00 for Fall and Spring and \$10.00 for Winter and Summer. Daily parking permits are \$2.00 and can be purchased in Lot 6, Lot 8 and the West Parking Structure and can be used in all student parking lots. Parking fees paid can be paid online via the LAHC website student information system. Permits paid for online can only be picked up in the Business/Cashier's Office. Permits are required 7 days a week, 24 hours a day.

NOTE: The parking lot across from the campus on the north side of "L" Street is not owned by LAHC. Parking fees will be charged regardless of LAHC permit. This lot is not patrolled by campus sheriffs.

SHERIFF SERVICES

The Sheriffs are available to assist students, staff, faculty and campus visitors as needed. In addition to their regular duties of crime prevention, campus patrol and parking control, the College Sheriff have instituted an assertive program in the areas of personal safety and crime prevention.

The College Sheriff's Office is located on Figueroa Place in the P.E. & Wellness Center.

For emergencies only, PUSH THE EMERGENCY BUTTON ON ANY CAMPUS PHONE.

For non-emergencies, call 310-233-4600.

All members of the college community are urged to lend their support in both reporting crimes and practicing preventive measures to reduce them. We all share the responsibility for making Los Angeles Harbor College the safest possible place to work and learn.

- If you must remain in campus buildings after closing time, notify the Sheriff and make an effort to arrange your stay in the company of at least one other co-worker or student.
- The campus is well lighted but it is wise, again, to employ the "buddy system" when walking to your car or traveling to other locations.
- Refrain from using shortcuts; stay on the well-traveled thoroughfares.
- Personal property, purses, briefcases, etc. should not be left unattended. Take such items with you if you are leaving the office, classroom or library study area, or lock them in your desk or file cabinet.
- Try not to carry large amounts of cash on your person or display large amounts of money.

- Make a record of the serial numbers of both District and personal property in your office. Engraving tools are available at the Sheriff's Office for check-out to students, staff and faculty for the purpose of identifying personal property. A record of your personal credit cards should also be maintained.
- Keep your auto locked, never leave the keys in the ignition, and avoid leaving property where it is visible on the seats. Store it in the trunk instead.
- Give your car the quick "once over" before entering with a critical eye for possible break-in or persons in the rear seat or floor area.

The College prides itself on the record of safety maintained on campus; however, effective law enforcement and protection require citizen cooperation and assistance. The rapid and successful detection of crime and apprehension of criminals depends heavily on speedy reporting and dissemination of facts to the Sheriff's Department.

College Security and Safety

Los Angeles Harbor College prides itself on the safe environment that exists to encourage learning and enrichment for our community. Students, faculty, staff, and visitors form a partnership in creating and maintaining that environment. The College maintains a 24-hour, 7-day-a-week campus security facility in the PE Wellness Building, staffed by the Los Angeles County Sheriffs. Contact number (310) 233-4600. Refer to the college catalog for annual crime statistics with comparison years under code 20 United States Code 1092(f).

TRANSFER CENTER

The Transfer Center is a part of the Counseling Division. The Transfer Center's mission is to foster a transfer culture by providing resources and counseling services to support students in achieving their transfer goals. Students utilize the Transfer Center to prepare for admission to CSU, UC, private and out-of-state universities. The faculty and staff offer workshops, classroom presentations, counseling appointments, and drop-in counseling. The Transfer Center hosts university admission representative appointments, field trips, Transfer Fair, Transfer Con (student conference), and a culminating Transfer Recognition Ceremony. The Transfer Center is located in the Student Services and Administration (SSA) building, Office #105 and welcomes all students to come in for assistance and support.

TITLE IX - DISCRIMINATION, HARASSMENT, RETALIATION AND SEXUAL MISCONDUCT Policy

The Los Angeles Community College District (LACCD) upholds a non-discrimination policy in all educational programs and activities, adhering to state and federal laws. This includes protection against discrimination based on age (40+), ancestry, color, ethnicity, gender identity/expression, marital status, medical condition, disability, national origin, pregnancy, race, religion, sex/gender, sexual orientation, and veteran status. LACCD enforces policies against discrimination, harassment, retaliation, and sexual misconduct in line with Title IX and District regulations.

Title IX ensures equitable treatment regardless of sex, sexual orientation, or transgender identity. The Office for Diversity, Equity, Inclusion, and Accessibility (ODEIA) handles reports of sexual misconduct, discrimination, harassment, and retaliation. For more information or to report a violation, contact a Title IX Coordinator or Compliance Investigator. Resources and reporting options are available on the ODEIA website or via the online reporting system at <https://LACCD.guardianconduct.com/incident-reporting>

For Title IX policy inquiries, contact Victoria Friedman, Deputy Title IX Coordinator, at 213-891-2315 or friedmv@LACCD.edu. Additional resources are available on the ODEI's Title IX Resources webpage: <https://www.laccd.edu/offices/diversity/title-ix>

Los Angeles Harbor College also prohibits discrimination, harassment, and retaliation based on similar protected statuses in compliance with federal, state, and District policies. The Deputy Title IX and DHR Coordinator is located at the Office for Diversity, Equity, and Inclusion, District Educational Services Center, 770 Wilshire Boulevard, Los Angeles, CA 90017. Contact information is accessible at the following link: <https://www.laccd.edu/offices/diversity/odeia-contacts#contactarea>
